

Washington's Birthday Desserts

Washington Hatches—Something for the tots.

For a Washington's Birthday party treat, youngsters will like nothing better than the realistic hatches of cherry-flavored gelatin pictured here. Serve the hatches on plates of contrasting color-blue paper plates would be nice.

Washington Hatches

Ingredients: 2 packages cherry-flavored gelatin, 4 cups very hot water, sweetened whipped cream, marshmallow cherries.
Method: Dissolve gelatin in hot water. Pour into 9x9x2-inch pan. Chill until firm. Cut hatchet pattern from paper, about 5 inches long and with the handle about an inch wide. Place pattern on top of gelatin and cut around it with a sharp knife dipped in hot water. Using a pancake turner transfer gelatin hatchet to plate. Garnish with whipped cream and cherries. Makes 4 to 6 servings.

For a more sophisticated dessert for the adults try the following recipe:

Cheese-Filled Pancakes

Ingredients: 1 cup sifted all-purpose flour, 2 teaspoons baking powder, 1/2 teaspoon salt, 1 egg, 2 tablespoons cooking oil, 1/4 cup creamed cottage cheese.
Method: Sift flour, baking powder, salt together. Beat egg slightly, add oil and milk and beat to combine. Add all at once to dry ingredients and stir until smooth. Bake on hot griddle, using one-third cup batter for each cake. Griddle does not have to be greased if it is well seasoned. Place 2 level tablespoons cottage cheese in a row down center of each pancake while hot. Roll cake around it and place open edge down to hold roll closed. Serve hot with warm cherry sauce. Makes 5 pancakes.

Pancake Day

Back in merry old England in the 12th century Shrove Tuesday, the day before Lent begins, was celebrated as "Pancake Day." The old custom is still observed in England, Canada and parts of the United States. The order of the day is a feast of fluffy golden pancakes.

In celebrating Pancake day, or any other special occasion, try Pancakes Adirondack. They are a party dish of light tender pancakes with melted butter and shaved maple syrup between the pancakes and a mound of whipped cream on top. You'll have to try Pancakes Adirondack to appreciate their luscious goodness.

Pancakes Adirondack
2 cups ready-mix for pancakes
2 1/4 cups milk
Filling and Topping—Melted butter, shaved maple sugar, whipped cream.

Just add milk to unsifted ready mix all at once and stir lightly. Pour 1/4 cup batter for each pancake onto a hot, lightly greased griddle. Bake to a golden brown, turning only once.

Stack three pancakes placing melted butter and shaved maple sugar (or brown sugar) between each. Top with whipped cream; sprinkle with shaved maple sugar. Makes 14 to 16 medium pancakes.

WILLAMETTE UNIVERSITY

Today marks the completion of an impressive religious emphasis week program at Willamette. The main speaker at the various chapels and convocations has been Dr. A. A. Thornberg of Hollywood, Calif., who was honored at a coffee hour yesterday afternoon. Dinners and firesides with prominent men in the theological field were staged at all the living organizations on the campus, and the Future Teachers of America cooperated with the theme of the week in selecting as a topic for their meeting the current controversy over religion in the public schools.

The drama department has provided a fitting climax to the event in their excellent production of Isben's "Ghosts," which had its opening last evening, and is scheduled for a repeat performance tonight at 8 o'clock in Waller chapel. Although once banned from stage for immorality, the play does present a frank statement of a social problem. Marian Sparks, Margaret Guice, Phil Hammond, Dave Place, and George Bynon comprise the cast.

Something new in a program to provide more adequate counseling and guidance for students will be tried Tuesday when all lower division men will meet with their advisers to discuss the use of the library and the correct form for writing term papers. Similarly, all women will meet with the dean of women in an assembly to discuss pertinent problems and prevailing practices of the campus.

In choosing saucers, look for ones that are flat-bottomed and have straight sides and tight-fitting covers; pans of this sort save heat.
