Pro Golfer Makes Habit Of Hole-in-One Shooting

restional's record seems phenomenal It's hard enough to hit the
ball, let alone his it straight
ers who make rash promises and
into the cup, and the odds
live to regret them. For instance,
against same are 10,000 to one.
Fred Jones announced last June

Yet it is amazing how many people manage to pound home their tee shot, actually every 1,500 every year in the United States and Canada. The longest on record was by a Caro-lina clouter named Cardwell who smashed a 425-yard hole in one at Winston-Salem. Marin one at Winston-Salem. Mar-ie Robie of Wollaston, Mass-is the runner-up with a 393-yard shot into the cup last September.

There are numerous instances where players have holed in on in the same round but Bob Halverty, at Long Beach, Calif., posted some sort of a regord in 1945 when he aced both the 308-yard 15th and the

"It'll be many a day before you do that again," called a friend as Morton started his

Morton swung, watched the ball trickle into the cup and then replied:
"I just did it again."

once made three aces in two weeks at Chapel Hill, N. C.

New York, Feb. 18 @B—Pro golf's most notable feature so far on the winter tour, in addition to wallowing in sunshine and splitting up the swag, appeared today to be Art Wall's 29th hole in one.

To most of us who have trouble getting a bogey four on a par three hole, ever a short par three, the Pennsylvania professional's record seems phenomenal It's hard enough to hit the

that he was seriously consider-ind running for Governor of Oklahoma. Playing a round shortly afterwards at the Oklahoma City Golf and Country club, Jones stepped up to the tee and a 176-yard hole and asserted:

I'd rather make a hole-inone than be elected governor.' He did. And he wasn't.

Downhill Races Climax World Ski Championships

Aspen, Colo., Feb. 18 (49)—The men's downhill race, in which both the 308-yard 15th and the large standard 130'yard 15th.

P. H. Morton an English Bowler of note, had the perfect comeback when he aced the first hole on the first of two rounds.

"It'll be many a day before of the standard strain for maximum speed, will bring a spectacular climax to the 1950 world ski championships today.

Sixty-one contestants from 13 matters are scheduled to make

nations are scheduled to make the perilous 2.1-mile run down the icy north face of Aspen mountain. They must steer true course through 10 control gates while descending 2400 feet

closer to sea level.

Friedl Pfeifer, the course setter, estimated the "average" time for the racers would be two minutes, 30 seconds. This means the winner must approach a speed of 60 miles an hour for the entire distance, and travel much faster than that at times

Downhill racers have been clocked officially at speeds as high as 84.6 miles an hour in short bursts.

The event is a test of nerve and-luck as well as skill. The competitor with an absolute disregard for his personal safety, who is willing to let his skis travel as fast as they will down ngron From M. Travel as fast as they will dangerous declines, over washgound Jayrees 46, St. Martin's
board slopes and around sharp
turns, is always the winner.

350 Mules Die in

Fox Funeral **Dated Monday**

Stayton, Feb. 18 — Funeral services will be held here at the Weddle Funeral home Monday, February 20, at 2:30 p.m. for Lloyd Fox, 27, former Salem and Stayton resident, who died of exposure in the mountains near Mc-Cloud, Calif.

Cloud, Calif.

The body of Fox, who died in the snow some time after February 3 near McCloud, was returned to Redding, Calif., Thursday night by a rescue party.

Fox started from Redding

Fox started from Redding February 3 to take supplies to two caretakers at the McCloud River club, 20 miles south of McCloud, on a trip that involved 13 miles of ski travel. Search parties were formed after he

failed to report back.

His body was found Tuesday
by Phillip F. Gates of Klamath Falls just a quarter mile from North Santiam Community club Fox' destination. It could not at the schoolhouse. be brought to Redding until a The program was prepared
