Furniture Plant Reopens Feb. 20

Portland, Ore., Feb. 18 (AP)—Doernbecher Manufacturing company announced today it will resume full operations Monday morning at both its Portland furniture plant and the Coalco mill near Oregon City.

At the same time, the company declined to explain why it had unexpectedly closed down Thursday, throwing nearly 800 employees out of work.

Closing of Doernbecher's had led to reports that other furniture firms would shut down because of lack of orders, but companies and unions all said these were unfounded.

Charles Shelly, business agent for the CIO furniture workers' union, said employees would be ready to return to their jobs on Monday. He said, however, he was unable to learn why the Doernbecher plants had been closed.

A company spokesman said the question of why the plants were closed was not discussed with the CIO leaders because "there is no labor dispute involved."

Shelly said there was no labor trouble at the plant.

Closing of Doernbecher came as a surprise to employees yesterday when "Plant Closed" signs were posted on gates.

Youngster Is Better

Fairview—Lester Stephens, five year old grandson of Mr. and Mrs. Howard Stephens, who has been seriously ill seven weeks with pneumonia is in the Doernbecher hospital, Portland, making satisfactory recovery.

Tragedy—Grief-stricken parents of 8-year-old Pimmy Messer bend over the lifeless form of their son who, with his dog (foreground), lies dead in a Los Angeles street. Pimmy was crossing the street on his scooter, his black mongrel dog trotting at his side, when he was hit by a motorist just before he reached the curb. Police said the driver of the car had a speeding ticket in his pocket for a previous citation. (Acme Telephoto)

U. S. Arms to Be Sent Far East

Washington, Feb. 18 (AP)—American arms may soon start flowing to three Asiatic nations as part of the stepped-up administration effort to stop the spread of communism in the Far East.

Officials said the state and defense departments also may recommend giving India a share of the \$75,000,000 fund which President Truman has a free hand to use for military purposes in the general area of China.

A slice of undisclosed size already has been earmarked for the new United States of Indonesia. Military aid for hard-pressed Indochina and for neighboring Thailand is reported under urgent study.

Together these four and India form a cordon whose leaders are believed ready to fight the advance of communism from China as long as they can get U. S. backing.

Three nations plagued by civil troubles — Burma, Nationalist China, and Malaya—are missing from this ring.

Burma has been swept by confused disorders since it left the British fold two years ago.

In Malaya, the British are believed to be gaining the upper hand, with the backing of loyal native Malaysians, against local communist bands.

SON

The Father of His Country

Meet George!

George wasn't present the night his illustrious namesake crossed the Delaware. Nor did he arrive in time to "winter" with his countrymen at Valley Forge. As a matter of fact, it was one hundred sixty-six years after Cornwallis surrendered that George became an American citizen—by birth.

George is old enough now to carry a flag. And he's old enough to carry in his heart the principles for which the flag stands.

One of those principles is Religious Liberty . . . the right of every American to worship and serve God in his own way.

George goes to Sunday School. That's part of carrying the flag.

For the sacred rights and privileges which the Father of His Country helped us to win, the son of his country must learn to love and to defend.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
