George Washington

For your convenience, THIS BANK WILL BE OPEN on Washington's Birthday, February 22nd.

Nearly everyone will be at work as usual on George Washington's birthday. We consider it an obligation, therefore, to provide banking services in the public interest. The belief that it is our duty to serve your needs as fully as possible inspired the six-day, 10 a.m. to 5 p.m. banking hours now in effect in many communities throughout Oregon. All-day banking, every week day including Saturday, has received enthusiastic public approval. As do all loyal Americans, we in the First National Group have deep respect for the memory of George Washington and the other great men who have served our country. We believe, however, that it is unnecessary to demonstrate our respect at the "expense of your interest and inclination."
