

Vikings Favored to Snare District Crown Wednesday

Viking eagles from Salem high were rated as top heavy favorites to knock Mt. Angel from the district 11 tournament Wednesday night and take the last open berth in the state meet.

Mt. Angel, champions of the

Willamette valley league, earned its finals spot in the district competition by defeating Silverton, Stayton and Woodburn after taking a first round slap from the Stayton Eagles. Although the Vikings

are rated as favorites, the Preps are expected to be fired up for the 8 p. m. meeting Wednesday.

Salem, undefeated in district play, would still have a chance at the title if they are turned back Wednesday. Two defeats are needed to oust a team from the district 11 double elimination.

Coach Harold Hawk is expected to start Jim Rock and Doug Rogers at forward, Layton Gilson at center, Larry Chamberlain and Capt. Daryl Girod at guard for the Vikings.

Mt. Angel's Gene Barrett will probably stick by his starters: Frances Donley and Ken Paysano at guard, Norb Wellman at center, with Dave Ebner and Fritz Beyer at forward.

The district 11 berth is the only spot in the state tournament which is still unsettled. Dallas gained the district 8 crown Tuesday while Roosevelt of Portland took the No. 15 spot and the Jefferson Democrats took the district 16 berth while losing the Portland City title in a game with Benson Tech.

The district 11 entry faces Scappoose in the opening round in Eugene next week.

Wolfe-Ball Bout Tops VFW Slate

Dick Wolfe and Davey Ball who have met on three previous occasions, will tangle in Wednesday night's 10 round main event of the Veterans of Foreign Wars fight card at the armory.

In spite of the fact that he has to make 160 pounds or less, Ball feels that he will be the master of Wolfe. The latter was credited with winning all three previous meetings.

Wolfe, recently returned from Seattle where he boxed Ruford Ransom to a draw. The bout, an eight round semi-final to the Ike Williams-Henry Davis scrap, is said to have been outstanding for action.

Principal interest on the local card is the four round preliminary in which Eddie Kahut of Woodburn will be a principal. Kahut, brother of Joe, heavyweight boxer of considerable reputation, will meet Dick Collie of Salem. Joe is expected to be in his brother's corner.

Bill Wickerham of Vancouver, Wash., will meet Al Cliff in the six-round semi-final. Cliff is banking on his experience to prevent Wickerham from landing one of his disastrous blows.

The curtain raiser will go on at 8:30 for the card that will see a new low scale of admission prices in effect.

Albany to Host American Legion Junior Baseball

Albany—Announcement was made here Tuesday that Albany has been awarded the American Legion junior baseball tournament, to be played here August 10, 11, 12 and 13.

Zed E. Merrill, chairman of the Albany American Legion Post No. 10 baseball activities, announced that the contract has been signed by Mike A. Trappman, chairman of the Department of Oregon Baseball commission, and Thomas O. Palmer, commander of Post No. 10.

Four teams of not more than 16 players will compete in the double elimination tournament with two games set for Thursday, August 10, two for Friday, one for Saturday and one or two for Sunday.

Thursday's games will both be night contests, while there will be one afternoon game and one night game Friday, a night game Saturday and an afternoon contest with the possibility of a playoff necessity Sunday, it was announced.

Speaker Coach Jim Alken of the University of Oregon will be guest speaker during Friday noon's session of the Salem Breakfast club. The luncheon will be held at the Marion hotel and club members are urged to bring guests. Alken will speak on a subject of his own selection.

Amateur Boxing Card Slated for Silverton Armory

Silverton—Ten bouts of amateur boxing will be staged in the Silverton armory at 8 o'clock Thursday night under the sponsorship of the police department for the benefit of its athletic club fund.

The main event will feature Harold Kotter of Silverton and Johnny Tobin of Albany.

Other communities to be represented include Salem, Oregon City, Woodburn, Stayton and Mt. Angel.

The bouts will be of three rounds.

Hubbard Rifles Reelect Officers

Hubbard—Officers for the Hubbard Rifle club this year are Ed Erickson, president; Jack Evans, vice president; Floyd Dominick, secretary; Zane Yoder, range officer; Roy Duncan, executive officer; Guy Graham, instructor. The entire officer panel was a re-election of last year's officers.

The Hubbard team is made up of Dick Brown, Dennis Seetoff, Guy Graham, Zane Yoder and Floyd Dominick. This team with Dominick as coach took fourth place in the recently held inaugural gallery tournament in Portland sponsored by the Portland Rifle club in the new gallery range there.

Season Record Shows 'Cats Led Point Work

Although Willamette played one game less than did all other Northwest conference quints with the exception of College of Idaho, the Bearcats racked up the greatest number of points. Their total was 874 as compared with 844 tallied by Lewis & Clark, which finished in fourth position. The averages were 62.4 and 56.3 respectively.

Official records reveal that the Pacific University Badgers turned in the best defensive record of 733 points for a game average of 48.9. Willamette's defensive mark was 755 points, or an average of 54 per contest.

Linfield was charged with 263 fouls, high in this department. Whitman was whistled down 260 times for the low mark. The Bearcats had 305 personals assessed against them.

Ed Rooney of Pacific took individual scoring honors with his 231 points for an average of 15.4. Bob Pollard of Lewis & Clark finished second his 226; Charles Anderson, Whitman, third with 222 and Ted Loder of Willamette who played one game less than the others, hit the 199 mark.

Lee Stars as Pilots Oust 'Cats from NAIB

Portland, March—It will be a long time before Willamette university basketball followers forget a 5-foot, 5-inch Chinaman named Fred (Happy) Lee. Little Lee, ordinarily not one of the top scorers on the Portland university team, has had a hot night opposite the Bearcats every time Willamette and Portland have met for the last three years.

Lee, now a senior, completed his jinx of the Bearcats here Tuesday night in the finals of the district 2 NAIB tournament. The diminutive guard accounted for 27 points as the Portlanders rolled to a 79-60 victory over Willamette. He had an amazing 12-for-18 shooting average, and many of those shots were howitzers from back of the keyhole.

The Pilot team left here by train early Wednesday morning for the national NAIB tourney at Kansas City, which opens early next week.

Willamette made a go of it throughout the first half and the early minutes of the second stanza here Tuesday. The Bearcats worked into an early 10-6 lead, thanks chiefly to a couple of field goals and a like number of gift tosses by Chuck Robinson.

Portland came back with a Jackson Winters field goal and Lee's second bucket of the night to tie the count at 10-10 after only 5 minutes of play.

Tempo struck a torrid pace for the next couple of minutes. Lou Scriven wished a 25-footer to give Willamette a 12-10 lead; Portland's Bob Devich tied it up with a tip-in, then Portland went out front for the first time in the ball game when Lee rammed home a 2-point shot from the key at the six-and-a-half minute mark. 'Cat Forward Ted Loder came right back on a fast

break play to tie the count again, this time at 14-14.

A Pilot rally boosted Portland into a 22-14 lead. The two teams played on even terms the remainder of the half. At intermission Portland led 38-30.

Slow, deliberate basketball on the part of both teams earmarked the opening of the second half. Then with Portland leading 40-33, Jim Winters plunked in four quick field goals for Portland. That was the straw that broke the Bearcats' back.

Willamette could never get within 12 points of Portland after that.

Northern Idaho defeated Southern Oregon, 81-57, for third.
