## These Are Some Spring Tonics

Tangy grapefruit halves, dressed to fit the occasion, will prove a perfect first or last course for spring meals, particularly since they pack a punch of Vitamin-C goodness, so important during these months in warding off colds. Use green or red jelly cut in interesting shapes—a shamrock for St. Patrick's Day, with huckleberry leaves around

the edge of the grapefruit half; a heart for someone's birthday or a shower; your favorite preserves; shredded coconut and tangerine sections for an ambrosia-like dessert, or flaked seafood and sliced olives for a first course dish. The grapefruit crop has been ample this year and the quality right now is tops.

## A 'Hobby-Lobby' Display...

Salem Camp Fire Girls will present a "hobby-lobby" display in the Chamber of Commerce building this Friday and Saturday, in conjunction with the 1950 birthday of the group. The three parts to the project are "Finding Out," "Trying Out," and "Showing and Sharing."

In "finding out" Salem groups have visited art galleries, musical performances, movies, the library and churches, and have taken nature hikes, striving for

appreciation of art through observation. At their meetings the groups have also been "trying out" folk dances, harmony, play writing, clay modeling and house planning, striving for appreciation of art through participation. The display itself will show a wide diversity of interests. Rocks, ceramics, headbands, flower arrangements, paintings, scrapbooks and architectural models are among the many suggestions for exhibits in the fields of fine arts and applied arts.

The public is invited to attend between 3 to 5 p.m. on Friday, March 17 and between 10 to 3 on Saturday.
