

Stock Market In Slow Decline

New York, March 17 (AP)—The stock market went into a slow decline today after an early rally at higher prices failed to get anywhere.

Losses were fractional and a good many issues held on to morning gains.

In mid-morning a burst of demand for automobile stocks acted as a tonic on the entire market. These shares held up better than most but sold under their best levels.

Rapid turnover developed during the morning. Business slackened, though, as quotations were marked down. Turnover was at a rate of around 1,600,000 shares for the full session.

American Car & Foundry preferred and common went into a steep plunge following news late yesterday that directors had deferred action on a preferred dividend. The preferred lost 10 3/4 and the common 4 1/2 at one time but rallied slightly under consideration.

Carlos Fallon, guest speaker for next Monday night's dinner meeting of the Salem Knife and Fork club at the Marion. The erstwhile Colombian naval officer and former captain in the U.S. army attached to the intelligence department, will discuss "Misadventures of a Latin American." Fallon is described as "well informed as he is charming, takes the members of his audience in hand and leads them on a personally-conducted tour of the great Latin-American republics which lie south of the Isthmus of Panama."

Coffee Prices Drop Two Cents a Pound

New York, March 17 (AP)—General Foods Corp., today trimmed prices of vacuum-packed and bag-packed coffee two cents a pound.

Hills Brothers, California Packing Corp., and most western roasters reduced their brands by similar amounts earlier this week.

An official of the National Coffee association said the cuts reflected lower prices for green coffee beans.

"Buying is just now starting to get back to normal," he said.

Warehouse Job To Batterman

E. E. Batterman, Salem contractor, will begin construction of a new warehouse for Blue Lake Packers, Inc., within two weeks.

Batterman was awarded the job of building the warehouse by the Blue Lake board of directors Thursday night.

Batterman's bid of \$118,297 was low. Bids from five other contractors ranged up to \$145,378.

The board of directors did not officially accept Batterman's bid. They did, however, assure Batterman that his firm would be awarded some sort of contract to construct the warehouse, possibly on a cost-plus basis.

The warehouse, to be located on Bassett street, will be 120 feet by 350 feet. The contract will stipulate that the building must be completed in 90 days, in order to meet the demands for space during the 1950 harvest period.

Bartholomew & Williams, Salem architects, are designers of the warehouse.

A good pecan tree will last at least 50 years.
