

Dusting Bids Open May 1

Bids on 5% DDT dust and also bids on application of the dust by airplane have been called for by May 1, according to Charles Ross, president of the Polk County Dusting Cooperative.

The board of directors, in planning the work of the dusting cooperative for the 1950 crop season, estimate over 16,000 acres may be dusted by the cooperative this year.

Ross stated that all airplane companies interested in bidding are asked to submit bids for 3000 acres or more with an in-

dications of the maximum acreage that they can handle. Bids are due on May 1 at 10:30 a.m. when sealed bids will be opened by the board of directors at their meeting in the county extension office.

Bids for 5% DDT dust 42 to 44 weight have been called for to be opened May 1 at 1:30 p.m. at the board of directors meeting. Bids are requested on 150 tons more or less, with a possibility of 200 tons being needed by the cooperative, Ross stated.

Grower contracts will be prepared immediately following the acceptance of bids on dust and application by airplane. All growers who have previously been members of the cooperative and those growers who are interested in becoming members

will be sent grower contracts at that time. Ross stated that any grower who has not yet submitted his name to the board of directors or the treasurer, N. John Hansen, should do so in the near future, in order that the list may be available when the contracts are mailed out. The price per acre that is to be advanced by the grower will be determined upon the bids accepted by the board of directors.

Librarians Meet

County librarians are meeting in Bend today to discuss federal aid to libraries, budgets, library training and loans from the state library.

State Librarian Eleanor Stephens is leading the meeting.
