

N W Kiwanians Meet in Spokane

Spokane, Aug. 21 (P)—A proposal that the United Nations warn Russia and her satellites that "further aggression... will be considered an act of war... and dealt with accordingly" was one of several resolutions to be put today before the north-west district convention of Kiwanis International.

More than 1200 members were on hand for the three-day gathering which opened Sunday.

Arthur S. Cory of Chehalis, chairman of the resolutions committee, said other resolutions would endorse the "free enterprise system," urge government economy and urge against the importation of certain food products of which there is a surplus in the United States.

Red Cross Asks For More Blood

Washington, Aug. 21 (P)—The Red Cross says large amounts of blood are needed to meet needs of fighting men in Korea and the expanded armed forces.

The organization, official procurement agency for blood for the services, last night called on all Americans for blood donations. It said Korean needs have been supplied so far by volunteer military and civilian donors stationed in Japan.

The Red Cross said shipments will be flown regularly to the Far East, and that any excess over immediate needs in combat zones will be utilized "for stockpiling plasma and other derivatives for military use."

Fishermen Sought

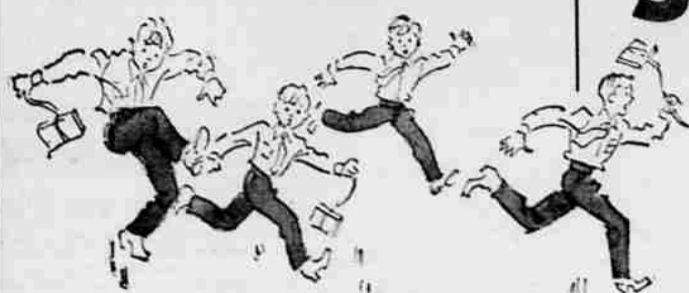

Netsarts, Aug. 21 (P)—Coast guardsmen today resumed search for trace of two Portlanders who vanished offshore in the fog Friday night while fishing from a 16-foot skiff. Missing are John Dalbart, 31, and Kenneth Patton, 34.
