## Baby Classes Starting Soon

All women wishing to take the series of classes in mother and baby care and on family health are asked to register at once.

The courses are sponsored as a cooperative program through the Marion county health department and the Marion county chapter of the American Red Cross.

The classes start October 4 and will be given in the new Red Cross headquarters, 434 North High street. They will be taught by public health nurses of the county health department and other qualified nurses.

Prospective students are asked to call either the county health department, 39208, or Mrs. Charles Mooney, Red Cross home nursing chairman, at 26408.

The courses consist of six two-hour lessons. They will be given as follows: Wednesdays, 9 a.m. to 11 a.m. and between 2 and 4 p.m.; Fridays, 9 to 11 a.m. and 2 to 4 p.m.

Topics to be included in the courses are: "Before the Baby Comes," "The Baby Is Born," "After the Baby Is Born," "The Baby's First Year," "The Child's Health in an Expanded Environment," "Protection of the Family's Health."

Material for the courses has been prepared by the American Red Cross and approved by the American Medical association, the American Nurses association, and other like organizations, Mrs. Mooney reports.

## Laundry Here Changes Hands

Purchase of the Capital City Laundry and Cleaners, 1264 Broadway, by R. A. Rawlinson of Portland was announced Wednesday.

The purchase was made from the estate of the late Thomas A. Windshar, Rudolph Windshar of McMinnville and Van Wieder of Salem. The laundry has been operated by the Windshars since 1920.

Rawlinson has operated a laundry and dry cleaning plant in Portland for the last 15 years, and has been in the business there and elsewhere most of his life. He also has found time since World War II to give to cattle raising in eastern Oregon. He was in the navy during the war.

Rawlinson is a graduate of the University of Oregon and has a degree from the Northwest College of Law in Portland. He held a commission as lieutenant in the navy and is a member of the American Legion and the Oregon Bar association.

For many years he and his father, the late George Rawlinson, operated the New System Laundry and dry cleaning business in Portland.

Mr. and Mrs. Rawlinson, who will live in Salem, have three children. Richard, Jr., and Susan are students at the University of Oregon, and Sylvia is in grade school.

"We are coming to Salem because we like it here," Rawlinson said, "and because, after looking at plants all over the country, I found the Capital City plant one of the best."

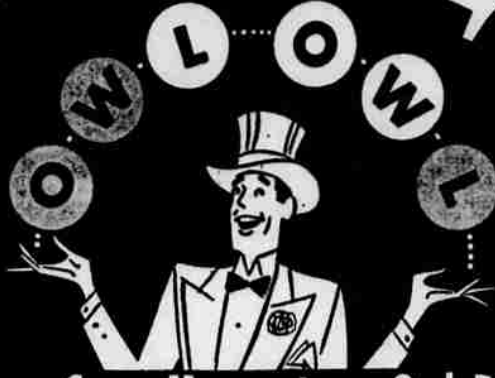

He said no personnel changes would be made and no major changes in operation.

Charles A. (Rip) Engle is the first non-alumnus to coach football at Penn State since Hugo Bendak retired in 1939.
