

Highlights of New Tax Shows Full Impact to Come in 1951

By JAMES MARLOW

Washington, Sept. 21 (AP)—Here are a few highlights about the new income tax increase. It ranges from 20 1/2 per cent on people in the lowest income brackets to 11 1/2 per cent on those in the highest. But—this increase won't hit you all at once. The full increase will be applied only to your 1951 income, not your income this year.

On your 1950 income only one quarter of the increase is applied. For example: Say you're in the lowest bracket now and the increase on you will be 20 1/2 per cent. When it comes time to settle up in full on your 1950 income tax, you'll find that the increase is only one-quarter of 20 1/2 per cent.

But in 1952, when you settle up on 1951 income, you'll find your tax has been raised 20 1/2 per cent on your whole 1951 income.

This sounds complicated and a reader's first impression is probably something like this: "What a headache I'm going to have when I make my tax return on 1950 income." Not so. Most people will do as they've been doing for years: They'll get a receipt from their boss on the tax withheld from them during the year. Then, without any figuring of their own, they'll turn it into the tax collector, together with a simple form that they must fill out. He'll check it over to see that it's right. If they've been over-taxed, he'll give them a refund. If they still owe some tax, he'll notify them.

Then there are those who use the so-called 1040-short form. Although they don't figure out their tax, they find it in the table on the back. They'll do the same when—before midnight, March 15, 1951—they file their tax return on 1950 income. They'll do nothing differently but—The figures in those tables, because of the tax increase, will be a little higher.

And then there's the third group, as in the past, the people who must figure their own tax. They'll do exactly as in the past. The only difference will be in the percentages.

This will give an example of how the tax will be increased on 1950 income only one quarter of what it will be on 1951 income. Jones, a single man, has a net income after deductions of \$3000. That has been his salary for several years and will be for some time.

In 1950—when he made his return on 1949 income—his tax was \$409.

In 1951—when he makes his return on 1950 income—his tax will be \$428.

But in 1952—when he makes his return on 1951 income—his tax will be \$488.

Praise Lebanon Civic Activity

Lebanon — A capacity turnout at Monday evening's fall kickoff Chamber of Commerce dinner heard Portland Chamber President Edgar W. Smith praise the Lebanon area for earning a reputation throughout the west as a pace-setter in regional development.

Citing the fact that civic improvement is the essence of eventual industrial expansion, Smith praised Lebanon for its street paving program, sewage disposal plans, school development, and above all, for its raising a half-million dollars for a new hospital.

The Portland chamber president stated that this area has enjoyed wide notice over the local self-reliance demonstrated in its recent hospital campaign.

Smith, who is also chairman of the state board of education, talked on the general topic, "The Community and World Affairs."

The guest speaker was introduced by the local chamber president, George Britton.

The business session preceding the address saw strong action taken on the Lebanon-Brownsville road situation. Committee reports were accepted without comment except the one on roads reported by chairman K. P. Sims, who explained the present plans of the county court on the improvement of communications between Lebanon and Brownsville.

Hiram Groves touched off discussion when he moved that the Lebanon chamber go on record as being "not the least interested" in the existing plan of the county on the route between the two cities, and that Lebanon divert its entire efforts for the shorter hill - road route to Brownsville, via Lebanon's S. Main street.

Special Church Meet Hears Bolivian Pastor

Butteville—The Rev. Juan Ayllon of the Evangelical church of Bolivia was the principal speaker at a special service Sunday night. Rev. Robert S. Hampel of the Aurora-Butteville churches announced.

Rev. Ayllon is one of the leading Protestant ministers of the South American Republic of Bolivia. He has been instrumental in the founding of many churches and mission stations and is, at present, the pastor of a large church. He has just come to this country from an extensive tour of Palestine and Europe.

Ayllon's son, Juan, has been living in the Butteville area for the summer months, and at present is attending Washington State college, where he is majoring in chemical engineering.
