The first meeting of the newly installed officers will be Wednesday evening when the girls will honor their mothers. The regular meeting is called for 7 o'clock and the mothers are to come at 8 o'clock. Decorations will be in charge of Misses Evelyn Rogers and Sharon Guthrie and refreshments will be served by Misses Phyllis Roberts, El-

AL Auxiliaries Set May 25, 26 As Poppy Days

Representatives of the American Legion auxiliaries will be on the streets, May 25 and 26, to sell poppies made by disabled veterans. Contributions received for the poppies are for aid of disabled veterans and needy children of veterans.

Mayor A. W. Loucks endorsed the annual sale, pointing out that the wearing of the poppy is an individual tribute to the memory of America's war dead. The statement follows:

"Whereas young men of the city of Salem are again serving in defense of our country and are taking their places among our honored citizens alongside those who have served in other wars, and

"Whereas the memory of those citizens of Salem who make the supreme sacrifice for America should live forever in the hearts of all citizens of our city, and

"Whereas annual wearing of the memorial poppy is an individual tribute to the war dead, showing that we remember and are grateful for their sacrifices in our behalf now

"Therefore, I, Alfred W. Loucks, mayor of the city of Salem, do hereby proclaim Friday and Saturday, May 25 and 26, to be poppy days in the city of Salem, and I urge all citizens to observe the day by wearing the memorial poppy."

The memorial poppy was originated in 1920 by Mrs. Mary Haneey of Milwaukee, Wis. Miss Moins Michael of Ahtens, Ga., to raise funds for welfare work. In 1921 the auxiliary adopted the poppy as its memorial flower and nation-wide poppy distribution was started that year by the American Legion and auxiliary. In 1924 the Legion gave the auxiliary complete charge of the program. This year more than 10,000 disabled veterans have made the red paper poppies for which they will be paid by the auxiliary.

Since 1946 the American Legion auxiliary has provided volunteer hospital workers for the veterans' hospital in Oregon. There are now 9,000 volunteers doing rehabilitation work among 450,000 veterans.
