

They'll Be Separated—Miss Ethel Frazer, 63, tries to explain to her 10-pound pet duck "Quick-Quack" about the city's "Anti-duck" ordinance which has ordered her to get rid of her pet. Since Miss Frazer lives alone in an upstairs apartment in Pasadena, Calif., she can not comply with the ordinance which states that ducks must be 50 feet from a neighbor's house. Miss Frazer has raised the 7½-month-old "Quick-Quack," a quackless duck, since he was two days old. (AP Wirephoto)

Polk County Sets Schedule For Chest X-Ray Program

Dallas—Dates for the mass chest X-ray survey in Polk county have been assigned by the Willamette Valley Chest X-ray, Inc., for July 18 through 31, it was revealed by Miss Janice Westaby, health educator of the Oregon state board of health, to the county executive committee Wednesday night.

The dates, earliest that machines and personnel of the U.S. Public Health service will be available, were requested by the county group in order to avoid conflicts with season farm harvests.

However, the fact that the survey will be conducted early in Polk county means that all workers will have to push the campaign to raise the \$3500 needed for local expenses, it is pointed out by Philip Hayter, general chairman. Less than a month remains to complete plans and arrangements.

It is planned to use every available medium of publicity in order to reach every adult in the county with the purposes and objectives of the survey. As a result, it is hoped that all persons over 15 years of age will take advantage of the opportunity for an x-ray without cost to the individual.

Six units of x-ray equipment will be in Polk county for a total of 60 unit days. Charles Thomas, locations chairman for the county, is now working out plans with the five vice chairmen for most suitable sites to set up the units.

The six units will be in the county and operating for the four days of Wednesday through Saturday, July 18 through 21; from Monday through Saturday, July 23 through 28; and on July 30 and 31.

Announcements of specific dates for the various communities will be made later by Thomas.

Four of the units will be set up to operate from power lines, but two are operated by generators and will be used in areas where power is not available.

Each individual over 15 years of age is urged to make plans for having an x-ray taken when the unit comes to his community. Taking of the picture requires only a few moments. It is not necessary to remove clothing to have the x-ray taken.

Seventy per cent of the cases found by the x-ray are early cases. By early discovery the individual has a better chance for recovery, shorter hospitalization, shorter loss of working time, and greater protection for family, friends and associates.

To the vast majority who are found to be free from the malady, they will enjoy the knowledge of good health that is confirmed by the x-ray picture.

Crowfoot Keeps School Board

Albany—At Crowfoot school district No. 89, the voters retained Harold Ellis as a director, giving him a vote of 71 and Al Finell, only other candidate, 39, at Tuesday's school election.

Accordingly, the Crowfoot board, center of a stormy controversy will remain intact. Other two members are the present chairman, Larry Parker, and Nels Erickson, who had once resigned but whose resignation was later withdrawn. Erickson has another year yet to serve.

At Lebanon, J. H. Irvine, the only candidate was elected unopposed by the 26 voters balloting.

At Sweet Home approval of a \$124,223.79 elementary school tax of which \$100,088.26 is in excess of the 6 per cent limitations and election of Mrs. O. M. Lewis as a member of the district No. 55 school board highlighted Tuesday's election there.

penditures of \$281,231.84.

The voters also approved a \$10,000 annual tax levy for five years to comprise a building fund.

Mrs. Lewis received 44 votes and Albert Brown, only other candidate, 18.

Stork Visits Hubbard
Hubbard—Mr. and Mrs. Clair Erch (nee Jean Kauffman) are parents of a baby boy born Saturday night, June 16, at the Oregon City hospital. Maternal grandmother is Mrs. Myrtle Kauffman of Hubbard.

Soviet Subs for Red China

Taipei, Formosa, June 21 (AP)—The China Union Press said today Soviet Russia turned over 28 submarines to Red China at the end of May. The transfer, it said, took place at Dairen, Russian-held Manchurian port.

One study indicates that, at the age of 25, about 35 of every 1,000 Americans have some chronic illness of major disability.

HERE'S SOMETHING *Really Different*
NOODLES'N VEGETABLES
with *Roast*

A DELICIOUS CHANGE FROM THE SAME OLD MEAT'N POTATOES!

—and here's Chef Merlino's own favorite recipe—

Your favorite roast
8 oz. Mission Egg Noodles
2 cups cooked tomatoes

1 can peas, drained
1 lb. onion, chopped
1 can mushrooms, drained
1 tsp. butter

Cook Mission Egg Noodles in boiling salted water until tender yet chewy. Drain well. Saute onions and mushrooms in butter for 5 min., add peas and tomatoes. Mix with noodles. Half hour before roast is done, put this vegetable and noodle mixture in one end of roasting pan and allow to cook in juice of roast, basting occasionally for remaining 30 minutes. Serves 6—and it's a delicious change from meat and potatoes!
