

The Voice of God

Did you ever pause to listen to the voice of God? We hear it every day, wherever we may be.

In the whispering of tall trees . . . the music of rushing brooks . . . the songs of the birds . . . the gay laughter of happy children . . . we hear the voice of the Great Creator. Through his infinite grace a bird is enabled to serenade his mate, a tiny cricket chirps its faint refrain. God is the Bringer of all blessings to man and beast alike.

Let us give thanks to Him who has so enriched our lives. Open church doors beckon all over our land. Let us seek the House of the Lord, and enter in to pay Him homage. Here through prayer and humility, let us re-dedicate ourselves to His service and glorification.

HOLY BIBLE

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
