

## Exhibit to Open

The one man show of works of Forrest Evans of Mosier will be on display in the R. L. Elstrom art gallery for three weeks beginning Monday, July 30. His works consist of life portraits in oil, pastel and crayon, landscapes in oil, water color, pen and ink, flowers in oil and cartoons in pen and ink.

Mr. Evans' art education began at the University of Oregon in 1925, but his schooling was interrupted when he returned to Mosier to work on his father's farm. He continued to paint while growing prize apples until 1936. From 1936 until 1941 his time was divided between caring for the ranch and furthering his studies in music and painting portraits in Los Angeles, Calif.

In 1941 he was inducted into the U.S. army and along with his duties he found time to continue his painting, depicting army life and the lighter side of war. A few of his army sketches are included in the show. An exhibit in Australia merited favorable comment from army personnel as well as civilians.

The exhibit, along with the sketches and portraits made while overseas, includes a portrait of Kay Francis painted in Los Angeles, a series of Oregon wild flower pictures and a portrait of an Indian chief.
