

### Maxim Gets Set For Wednesday Risk of Title

New York, Aug. 21 (AP)—Joey Maxim, light heavyweight champ from Cleveland, risks his title for the first time Wednesday night at Madison Square garden when he meets Irish Bob Murphy of San Diego in a 15-round bout.

Maxim stashed the crown in the clothes closet Jan. 24, 1950 when he dethroned Freddie Mills at London. Although he never gave anybody a shot at it, the early line showed the champ a 6 to 5 favorite. There were indications Murphy would be the choice by ring time.

Still some six pounds over the 175-pound limit when they underwent preliminary physical exams Thursday, both boys are expected to draw it close. They probably will just make it with little to spare.

This is the fight that prompted some senators to call for a congressional investigation of boxing. They claimed the International Boxing Club passed up Harry Matthews, who whipped Murphy last March, to give Irish Bob a shot at the big prize.

The IBC expects a crowd of some 10,000 and a \$50,000 gate with the top ticket price pegged at \$15.

Murphy is a strong bullish southpaw with a terrific left uppercut and a stiff body attack. In 65 fights since 1945, the ex-sailor has won 60, knocking out 55 opponents. He was stopped twice among his five losses. In 10 starts this year he has lost only two, the decision to Matthews and a disputed loss on a foul to Joe Rindone at Boston. He knocked out Rindone in a return bout, July 23.

### Volga Villian Meets Frenchy In Mat Mainer

Soldate Gorky, one of the most hated wrestling villains ever to appear in Salem, takes on Frenchy Roy, who has captured the fancy of Salem wrestling fans in recent months, in the main event of Tuesday night's wrestling program at the armory.

Gorky, known as the "Siberian Wolfman," won a large percentage of his matches while making a tour of the northwest several months ago, but failed to win a single friend along the line.

Now back in the northwest after winning consistently in the east, Gorky is anxious to keep his northwest record up.

In preliminary matches Tuesday, Jack O'Reilly meets Danno McDonald and Gorky Hessel tangles with Kenny Mayne.

Harry Elliott will referee the entire card.

Eddie Basinski, former second baseman for the Brooklyn Dodgers, is now playing for Portland, in the Pacific Coast league.

### Gorky Foe

Frenchy Roy, popular wrestler, who will face hated Soldate Gorky in the main event of Tuesday night's professional grappling card at the Salem armory. Gorky is returning to the local mat after an absence of several months. Roy has turned in several impressive performances in recent weeks.

### Women's Bowling League Planned

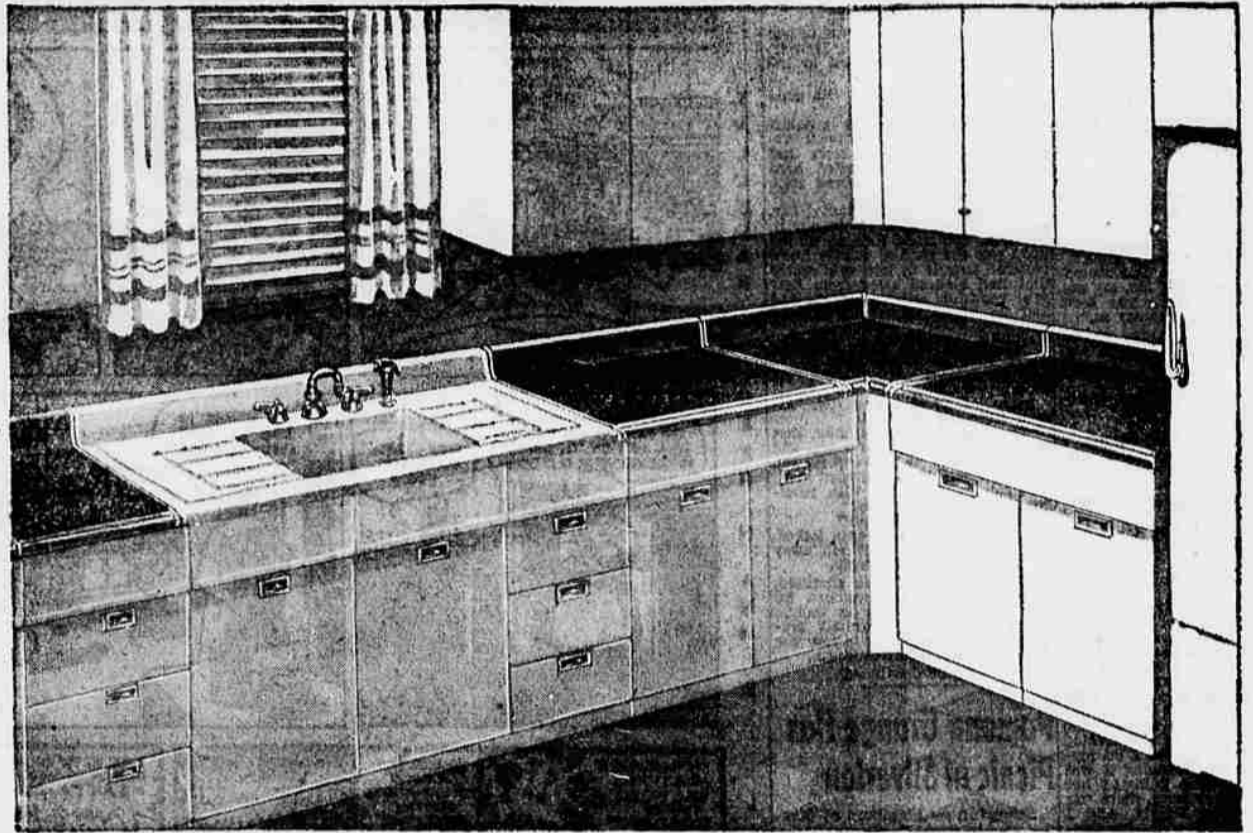

A league for women bowlers with an average of less than 125 will operate at the University Bowling alleys, beginning next Friday night. Gals interested in joining one of the teams should sign up immediately at the University Bowl. The Bowl is reopening Wednesday, after being shut down for several weeks.

## Merchant, Doctor & Hospital?

DO YOU KNOW WHAT YOUR BATTING AVERAGE IS?

NOW IS THE TIME TO FIND OUT!

When you receive a Pioneer Service County Credit Board Statement bearing our register trade mark, either Pay Your Bill in FULL, PAY PART or SATISFACTORILY Arrange to PAY!

Almost all of your merchants and professional men in your trade area receive our Monthly Credit Reports. These reports carry the delinquent debtors names and their batting average. Anyone of these debtors who do not have a credit rating such as a "P", which means PAYING; or an "A" which means satisfactorily arranged—has a poor batting average. And where he has no "P" or "A" in front of his name at all—he has three strikes on him and has virtually fanned out. Now you can easily understand that with a poor batting average (nothing before your name) the merchant will realize that you are not entitled to credit and have struck out.

REMEMBER that the man who pays is welcome everywhere and the one who does not pay soon becomes a social outcast, and loses his credit—something he may never regain! So why not keep your batting average good by paying your bills promptly?

Pioneer Service County Credit Board Information Is Most Valuable

### Pioneer Service Blue Book Is Different

from any other book pertaining to credit information because we clear a debtor's name (when he pays) on our Monthly Credit Report, which is issued each month, or twelve times a year. By so doing, we give the debtor the full protection he is entitled to. His name does not stay on as a permanent delinquent, as it does on other credit books that do not make this timely change.

### Why Pioneer Service Co. Is Different

- Your accounts remain in your hands at all times
- No commissions charged on collections
- All money paid direct to creditors
- No contracts to sign and regret
- No docket fees. No filing fees
