## Hubbard Seeks Grave Vandals

Hubbard—The Hubbard Cemetery association met Wednesday evening at the home of Miss Frances Weaver. Grant Jones, caretaker of the cemetery, reported on work completed since the last meeting, and Leland Koehler outlined further work which has to be done in the near future.

All roads into and out of the cemetery, as well as the traverse roads, need more gravel. Jones was asked to prepare the roadbeds for the gravel. He also was directed to have signs printed and placed. More space needs to be prepared for more lots, and more grass has to be seeded.

Jones reported some vandalism going on, potted plants and flowers have been taken from wreaths, and many empty beer bottles have been found on the grounds. The president, Dr. A. F. deLesplasse, also mayor of Hubbard, ordered special watches to be made of the grounds at any and all odd hours in order to catch the offenders. All the directors agreed to render assistance with this.

The annual meeting of the stockholders will be held at the city hall March 27 at 8 p.m. All lot owners interested in the improvement and upkeep are urged to attend, as the president will hold a clearing house hour for all matters pertaining to the cemetery. The cemetery was established in 1881 and belongs to the lot owners.
