109 Boys Now Sponsored For Soap Box Derby Race

By RON GEMMELL

Say, now, what do you know about Salem's Soap Box Derby? Well, latest is that 109 boys are now under sponsorship of 101 persons or firms.

We get this information right from the horse's mouth, so to speak. Barney Barnett, our head man of the sponsors' committee, is our informant.

But, he says, more sponsors are needed. There are at least seven boys still seeking sponsorship.

Four of 'em are definitely set for placement this week, however, says Barney.

The Salem Exchange club is going to take two of them. Dr. Dean Brooks of the Oregon state hospital, is handling the situation.

Over at Monmouth, Bruce Kenison couldn't find a sponsor.

Woodburn Boy Hurt

Woodburn — Vernon Nafziger, 11-year-old son of Mr. and Mrs. Phillip Nafziger of 393 West Cleveland street, Woodburn, was injured Sunday morning when he was struck by a car, driven by Mrs. Joe Smith, while riding his bicycle. The boy received deep cuts on his face and body bruises. He was taken to the Silverton hospital and his condition is reported as satisfactory. His bicycle was demolished.

But Barney fixed that. He contacted McMillan's Fountain Lunch, and they're taking over. And, guess what? Little George Ellison of 155 East Wilson street, who is under sponsorship of the Painters and Decorators Union 724, is earning money to build his racer by selling lawn novelties he makes as a hobby. He sold \$6.50 worth of his wares to members of the union last Friday night.

This week the Independent Order of Foresters are going to get going with a boy under their wing. (Should be able to find enough wood to build that "bug" with that outfit.)

As of Monday, 67 boys are officially registered. Which means that some of you youngsters who are bug-building had better get into the Douglas McKay Chevrolet company at 510 North Commercial and officially sign up. Barney is mailing cards to many of you, but he shouldn't have to do that. It's your responsibility to get in there and register, get your official license and get to getting. Be sure that Mom or Dad accompanies you.

Recent registrants include: Derryn Fullman, 2270 Simpson street; Dick Vittone, 1195 North 4th street; Dale Duran, 2804 Fisher road; Charles Oordon Smith, 465 North 15th street; Douglas Adams, 4900 North River road; Delbert Isaacson, 1555 North Summer street; Ed Page, 3225 Fisher road; Gary Heasalt, 3220 Sunnyside road; Mike Hartman, Route 7, Box 203K; Charles Eastridge, 1055 Edgewater street; Danny Adams, 4000 North River road; Gregory Hamman, 1170 James street; Will Christensen, 1970 Madison street; Pat Kelley, 1845 North 24th street; Gerald Davenport, 271 Rosemont street; Julian Thurston, 2700 Pioneer Drive; Bruce Patterson, 1845 South Church street; Bobby Hunt, 2480 Eaglewood Avenue; and Gary Coult, Route 2, Box 213.
