T. Ordeman, registrar, and were selected from 500 students suggested to the committee. President A. L. Strand of OSC made the presentations; and Dr. S. M. Dietz, chairman of the botany and plant pathology department, was the speaker.

About 2000 proud mothers of Oregon State students visited the campus for the annual Mothers week-end. The whirl of events planned for the mothers to show them the academic and social activities of their sons and daughters, starting officially with registration in the Memorial Union, followed by a flower show, and a business meeting of the Oregon State College Mothers club. A mother-daughter luncheon was held in the Memorial Union at 1 p.m. Social functions such as teas and receptions were held in the various living organizations in the afternoon and evening.
