The Gates church was entered in the second annual Town and Country church improvement contest which the Oregon Council sponsors. The award was donated by the Sears Roebuck Foundation.

The award was largely due to the erection of the new church building but also was based on the equipment, grounds and church community service.

The new building, which was dedicated last Easter Sunday, was made possible through donations of labor and material by members of the congregation and the community. Land for the building site was donated by Mr. and Mrs. Lang Stafford.
