The ranch of several hundred acres is being developed to give something more serious than "dude" activities. It will provide actual experience in ranch work in addition to a religious program.

Rev. Charles Poling who was a chaplain in World War II, served in the English hospitals and training stations. His Sunday morning sermon topic will be "What Is Man That Thou Art Mindful of Him."

Bible Words to Live by

The following is a scriptural text of special significance to me.

ST. JOHN 14:23—"If any man love Me, he will keep My word."

This verse challenges our loyalty and love of God. Much in the spirit of a kindred text: "Not everyone that says to Me, Lord, Lord, shall enter the Kingdom of Heaven." Christ here gives us a means to measure our faith and to free ourselves from the plague of inconsistency. We apply such tests to our neighbor when we question his sincerity. What use for him to profess affection if he continually affronts us. Why not then apply the same sensitive gauge to our relationship with God? Too many who pray: "Thy Will be done" illustrate by their actions an attitude of "My will be done." We should all achieve greater happiness for ourselves and better peace with our neighbor if we measured our righteousness by conformity with God's WILL. We prove our love by our loyalty to God as well as to another.

Most Rev. James L. Connolly
Roman Catholic Bishop of Fall River

British Farm Girl Comes To Valley for Dairy Study

Dallas — Valerie Nicholson, International Farm Youth Exchange Delegate from Durum, England, arrived in Polk county July 23 for a two week visit. She is staying at the Joe Rogers home on their dairy farm near Independence.

With a group of five other IFYE delegates from England, Valerie has only recently arrived in the United States via Canada. After a brief stay in Washington, D. C., she came to Oregon where she will spend the next five weeks.

According to Jack Evey, Polk county extension agent who talked with Valerie shortly after her arrival in the county, she will move to Clackamas county Aug. 7. After a two weeks stay with a family there, Valerie will join three other IFYE delegates who are now visiting in Oregon and take in the Oregon State Fair during the first week of September.

Other IFYE delegates in Oregon at present are Russell Stalk-

er from New Zealand, Pentti Anttila from Finland, and a young lady from Germany. Plans have already been made for Pentti to visit Polk county and stay with the Perry Wells family in the Buena Vista district during the latter part of August.

Valerie's home is a dairy farm located near the Scottish border. She is very much interested in Holstein cattle and will have an opportunity to see some of Polk county's finest on the Rogers' farm. According to Evey, she was quite impressed and delighted with Oregon. This is her first visit to the United States and she was very happy to have crossed the U. S. by train. Valerie's arrival coincided with the Democratic National Convention in Chicago and she admitted that she was just a little bit confused by the proceedings.
