Rickreall

Rickreall—The annual Holt reunion was held at the Grange hall in Rickreall Aug. 3. The first one of these gatherings held was in 1920 when seven of the children of Thomas and Lona Caldwell Holt, with their families gathered for a picnic. Records show that Thomas M. Holt was born in England, coming to the United States when quite young, and on to the Oregon country in 1844. Lona Caldwell came to Oregon in 1846. She was born in Virginia. To this union were born 12 children of which only one son is still living and he is Fred Holt of Salem.

Silverton Library Fund Shows Growth

Silverton—The committee whose membership originated the "5500 Library club" has reported progress during the summer. Serving at the head of the group are Mayor Errol Ross, Dr. R. E. Kleinsorge and R. E. Cooley.

The purpose is to build a new library and a number of local citizens have donated \$500 toward the building. Those who are contributing their will have their own or their family name engraved on a bronze plaque to be hung in the new library.

Growing too, Miss Althea Meyer, city treasurer, reports, is the fund of smaller donations. A number of \$5 and \$10 contributions have been received for this in recent weeks. Two larger donations in this were each of \$100, one from Mrs. Charles Seibel and the other from John Pomeroy.

The library report submitted to the city council Monday night showed indications of the busy summer season, with but 648 books circulated during the month. However, 15 new borrowers were registered, 25 books added by gift or donation.

Donors during July were Mrs. Clay Allen, Mrs. Earl Dedrick, Mr. and Mrs. George Christensen, Mrs. W. H. Woodard, Jr., Shirley Seibel, Wesley Palmer, Mr. and Mrs. E. L. Starr, Mr. and Mrs. R. G. Allen, Mrs. F. Glenn McDonald, Mr. and Mrs. Earl J. Adams, Mr. and Mrs. Miles Tobias, Mr. and Mrs. Clifford Larson, Mr. and Mrs. R. E. Kleinsorge, Mrs. C. W. Keene and Mrs. A. J. McCannel.

It has been asserted that some groups of people depend so much on gestures to supplement speech that they cannot carry on a conversation in the dark, but the assertion has been widely disputed.
