

56 Teams Boast Unbeaten Untied Football Records

New York (AP)—A few dozen football teams hardly known outside their own area were listed with such college powers as Michigan State, Maryland and California Tuesday on the nation's honor roll of 5 unbeaten and untied eleven.

The select list, which inevitably must dwindle with each succeeding week, included 10 major college teams. Two of the small football schools—Maryland State and Montclair (N.J.) Teachers—are unscored upon in three games each. Maryland State has scored 112 points and Montclair 53.

Among the major college teams, Maryland, California, Georgia Tech, Southern Cal-

ifornia, Duke, Villanova and UCLA. Each has won five games: Michigan State, Virginia and Holy Cross have won four each.

Four of the teams on the perfect record list have won six games each. They are Peru (Neb.) State, William Jewell (Mo.) State, Northeast Oklahoma State and Stevens Point of Wisconsin.

Eighteen of the teams have won five games each, 22 have won four, 10 have won three, and two teams have won two games each.

Among the perfect-record teams is Susquehanna, coached by 90-year-old A. M. Os, Alonzo Stagg and his son,

Paul. Susquehanna, in Pennsylvania, has won three contests and scored 6 points to 20 for its opposition.

The most prolific scoring team in the group is East Texas State, which has amassed 234 points in winning five games.

At least three of the teams must be knocked from the list during the coming week-end when California plays Southern California, Duke meets Virginia, and Miami (O.) faces Ohio University.

Michigan State Tops in Both College Grid Polls

By ED CORRIGAN
New York (AP)—Michigan State's rumpaging Spartans continued their stranglehold on the No. 1 spot in the Associated Press' weekly football poll today by nosing out Maryland in the fourth edition.

The result gives Michigan State a record of three out of four firsts. Only in the second week did the Spartans falter. That was when Wisconsin took over the top rung. State was second then.

The undefeated Spartans, who are making the experts look good—they were selected as the best team in the country in the AP's preseason poll—had a margin of 50 points over Jim Tatum's powerful Maryland outfit.

Maryland also was second last week, but the margin that time was 65 points, so the Terps are gradually trimming the margin.

State garnered 1,191 points, along with 49 firsts, from the 138 sports writers and sportscasters from coast to coast who cast ballots. Maryland, which has won one more game than Michigan State, five, had 1,141 points and 36 firsts.

The votes are tabulated by giving 10 points for first place, nine for second, eight for third and so on down the line.

There were two newcomers to the first 10—Virginia, No. 9, and Wisconsin, No. 10. To make room for the pair, Kansas and Purdue, both of which were defeated last Saturday, went tumbling downward.

The most impressive gain, however, was made by Oklahoma, which vaulted from sixth to third and gathered 23 first-place votes along with 915 points. The Sooners just about wrapped up the Big Seven title for the fifth straight year with their triumph over Kansas.

After Oklahoma came California, No. 4; Georgia Tech, No. 5; Duke No. 6; Southern California, No. 7, and UCLA, No. 8.

New York (AP)—Michigan State retained the No. 1 spot in the United Press football ratings for the fifth consecutive week Tuesday as it came within 24 points of the perfect score of 350.

In making the strongest showing in the ratings this season, the powerful midwesterners received 19 first place votes, 13 second place ballots, one fourth and two fifth to compile a total of 326 points, 54 more than second-place Maryland.

Maryland, moving from third place into the runner-up position, received five first place votes and a total of 272 points to replace California in the No. 2 spot. The West Coast team dropped down to third with four first-place votes and a total of 257 points.

Michigan State was the only team which retained the same spot in this week's ratings as there were two newcomers to the top 10—Wisconsin in ninth place and Ohio State in 10th. Kansas, defeated by Oklahoma, and Purdue, which lost to Notre Dame, dropped out of the top 10.

Behind Maryland and California came Oklahoma, Georgia Tech, Southern California, Duke and UCLA in that order. Oklahoma, with four first-place votes and 237 points, moved from fifth to fourth place as Georgia Tech, with three first-place ballots and 205 points, exchanged places with the Sooners.

Southern California and Duke each moved up a spot as Kansas, sixth last week, received only 10 points for a tie for 18th place. UCLA jumped from 10th to eighth.

All of the top eight teams are undefeated, although Oklahoma was tied by Colorado in its season's opener. Wisconsin and Ohio State each has lost one game.

There were shifts in the second teams as well as the top 10. Notre Dame, which received only three points last week, headed the second ten with 27 points with Pennsylvania, Villanova, Texas and Virginia trailing in that order. Kansas and Tennessee were tied for 16th, followed by Pittsburgh and Penn State while Minnesota and Illinois were tied for 20th place.

Points are scored on the basis of 10 for a first place vote, two for a ninth and so on down to one for a tenth.

Salas Faces Tommy Collins

Boston (AP)—Mexico's Lauro Salas—recently dethroned lightweight boxing champion—will tangle with hard-hitting Tommy Collins of Boston in a 10-rounder Nov. 17 in Boston Garden.

Salas lost the title back to Jimmy Carter of New York last week, while Collins again proved his punching prowess by knocking out British featherweight titlist Ronnie Clayton in five rounds at Boston.

Salas, a natural featherweight, has signed with the sponsoring Callahan A. C. to enter the ring at 128 pounds or lighter. The Mexican has been guaranteed \$10,000 or 27½ per cent of the gate.

Collins has whipped such featherweights as Fabela Chavez, Willie Pep and Glen Flanagan in recent bouts.

Vernonia, Ore. (AP)—Paul A. Gordon, about 45, civic leader and elementary school superintendent here, was fatally shot while deer hunting Monday.

State police said Gordon, about 45, was hunting with a party of six at the time of the mishap. The shooting occurred about 3:30 p.m. in a wooded area 10 miles north of here.

Gordon, who is survived by his widow, Mona, is the 10th hunting fatality in Oregon this fall.

In the deer season six men have been fatally wounded, two have died of heart attacks while hunting, and one fell down a cliff to his death. A 14-year-old boy was fatally shot while hunting squirrels.

Marshfield Still Way Out Front in Prep Grid Poll

The Marshfield Pirates, who have been scoring at the rate of nearly a point a minute, again are ranked as Oregon's top high school football team in this week's Associated Press poll.

The undefeated Pirates, after running their point total for six games to 258 with a 39-0 victory over Reedsport last week end, were the unanimous choice of sportswriters and sportscasters who vote in the poll.

The top four teams are the same as last week. Central Catholic of Portland, also unbeaten in six games, is No. 2. Right behind are once-beaten Klamath Falls and Grant of Portland. Grant, which dropped its first game of the season to Klamath Falls, has
