

Local Paragraphs

AWOL Sailor Arrested — Dewaine J. Hicks, Silverton, was turned over to the provost marshal's office in Vancouver Thursday by city police after he was arrested by the FBI for being absent without leave from the navy.

William Mitchell Improves — William Mitchell, 15, who was injured in an automobile accident on South River road on November 4, has regained consciousness after 14 days, but is not yet ready to receive visitors. He is the son of Mr. and Mrs. Fred O. Mitchell, Box 144, Route 4.

Breaks Hip — Mrs. Elaine Marsh, 55, 670 Jefferson street, was reported doing fine in Salem Memorial hospital Friday after suffering a broken hip Thursday when she fell in the 400 block of Jefferson street. She was taken to the hospital by Salem first aidmen.

Burglary at Kennedy's — A burglar took \$6.75 in cash from atop the safe in a break-in at Kennedy's City Cleaning Works, 1245 State street, Wednesday night, it was reported to city police Thursday. Also missing were several blank checks with the firm's name on them. Investigating officers said that the dial of the safe had been worked but the safe had not been opened. The cash register was opened but it was empty. Entry was made by breaking a rear window with a beer bottle. Another window was also broken during the entry.

Bird fanciers meet — The second meeting of the All Variety Bird club was held Tuesday afternoon at the home of Mrs. J. H. Lyons on Brooks avenue. It was planned to have a bird display at White's Seed store on State street December 6 from 10 until 5 and the public is invited. Since the club is just organizing officers were elected and committees appointed. The 18 members present were: Mrs. N. S. Wood, Mrs. H. R. Curtis, Mrs. E. M. Rulifson, Mrs. Carrie Fitzpatrick, Mrs. Florence Slack, Mrs. Edith Shipp, Mrs. O. J. Lewis, Mrs. W. L. Davis, Mrs. D. G. Karn, Mrs. George Atkins, Mrs. Roy Anderson, Mrs. Anna Babish, Mrs. Blanchard Isherwood, Mrs. J. Powell and Mrs. Lyons. Mrs. Lyons showed the members her canaries. Refreshments were served.

Stassen Picked

(Continued from Page 1)

President of the M. A. Hanna Company, coal and iron ore shippers; chairman of the executive committee, National Steel Corp.; chairman of the board of the Susquehanna Anthracite Company of Cleveland; members of the executive committee of the National City Bank, Cleveland; director of Phelps Dodge Corp.; chairman of the executive committee and director of Industrial Rayon Corp.

Humphrey has some background in government work, having been former chairman of the Industrial Advisory Committee of the Economic Cooperation Administration.

Stassen Active Worker — This committee dealt with reparations and the dismantling of German plants after World War II.

He was chairman of the Business Advisory Council of the Commerce Department in 1948. Stassen has long been active in republican politics.

At the GOP convention he was an aspirant for the nomination, but switched his votes to Eisenhower to give the general the nomination on the first ballot.

Brownell, a long-time right-hand man of Gov. Thomas E. Dewey of New York, took a leading role in masterminding Eisenhower's strategy at the GOP convention.

He also was a key adviser during the general's campaign. He had played a similar part in the unsuccessful Dewey campaigns for the presidency.

When asked if Humphrey was a "Tat appointment," Hagerty replied: "I'm not saying anything."

The appointments filled five of nine cabinet positions.

In Britain the automobile windshield is called a wind-screen.

William Green, president of the American Federation of Labor.

Wm. Green

(Continued from Page 1)

Green became AFL president succeeding the late Samuel Gompers, one of the founders and the first president of the federation.

Green led the American Federation of Labor in almost three decades of growth and turbulence. Under him the AFL maintained its place as the country's biggest and longest-established trade union organization.

Allies Repulse

(Continued from Page 1)

Some of the fighting was hand-to-hand.

A Red battalion slamed against Pinpoint Hill, the dominating ground of Sniper Ridge last night. The communists supported their assaults with a tremendous barrage of mortar and artillery.

Within an hour, one company of Chinese pulled out and left two companies to push ahead. But by 10 p.m. the drive was blunted.

The Allied spokesman said four communist armored vehicles, probably tanks, rained 50 caliber machine gun fire on ROK positions on Sniper just before midnight.

Allied artillery drove off the vehicles.

It was cold—10 degrees above zero.

Exchange Gunfire — Both sides kept up a crackling exchange of gunfire, and early this morning a suicide platoon of Chinese charged Sniper Ridge, hurling hand grenades when they got near the ROK foxholes. But the South Koreans held their ground and shortly after dawn the Chinese pulled out.

Eighth Army headquarters reported a series of communist attacks all along the 155-mile battle line. On the extreme Eastern Front, North Korean troops stabbed twice last night and twice this morning at Allied positions south of Kosong in the Anchor Hill sector. All the probes were driven off.

Shay Gets Big Salmon — Fred Shay, 550 North 21st street, caught a salmon on the Big Nestucca Thursday that may break a record for size of fish caught with the type of tackle used. The salmon dressed weighed an even 50 pounds. Larger fish have been caught with heavier tackle. The tackle used was a Mitchell reel, 4 1/2-pound pole, 10-pound test spinning line and orange lure. The fish was caught at the Rock Hole, a spot well known to fishermen.

Silverton Auto Victim — Silverton — Eugene Fowler of 119 Fisk street, Silverton, was treated at Silverton hospital for head injuries sustained in a week-end automobile accident. He was reported as improving satisfactorily and released.

New Bureau

(Continued from Page 1)

Principal objectives of the new department, according to Sen. Elmo Smith, chairman, is to eliminate duplication, removing collection of fees from the public utility commissioner and leaving this department as a solely regulatory body, as it was first set up to be.

Members of the committee feel that economies would result. For one reason two sets of administrative staffs now necessary will be reduced to a single one.

Further, and of more importance, members of the committee point out, will be more convenience for the motoring public and commercial vehicle owners.

Better for Public — Under the present set-up persons desiring certain necessary licenses and permits are required to travel from one department to another. This would be eliminated, if the bill is approved, and all the motor vehicle fees collections placed in one single department.

The presentation of the motor vehicle department bills will form the main objective attained by the interim committee.

In addition, however, the committee report to the legislature will recommend that all motor vehicle fees be collected on a state level. This recommendation is made because of an effort on the part of some cities and counties to invoke motor vehicle fees to increase local revenues.

Another recommendation to be made by the committee will be to increase the allowable weight for panel trucks from 4500 to 6000 pounds and increase the plate fee for such vehicles from \$10 to \$15 a year.

The committee, on recommendation of State Senator Angus Gibson, will recommend a change in the administrative methods of the public utility commissioner in handling applications for permits by small truckers. Gibson says that under present procedure, examiners from the commissioner's of-

Services Set Monday For Thos. Rowbotham

Funeral services will be held at the Clough-Barrick chapel Monday afternoon at 1:30 o'clock for Thomas K. Rowbotham, grocer in Salem for the past six years, who died Thursday. Rev. Dudley Strain will officiate.

Rowbotham, who owned the South 19th street Grocery, was a late resident of 605 South 19th street. He was born May 22, 1886, at Mellette, S. D., and prior to purchasing the grocery store was in the postal service for several years and employed by Montgomery Ward & Co. His wife, the former Marguerite Ryan, to whom he was married at Lemmon, S. D., in October, 1919, died six years ago.

Survivors include a daughter, Mrs. Jeanne Monsato, Salem; a brother, E. M. Rowbotham, Milwaukie, S. D., and cousins, Mr. and Mrs. Clarie Holcomb, Salem.

Turkey Growers Silverton Taps Junior Jaycee

(Continued from Page 1)

"Branding is done by tattooing on the web of the wing, and should be done when the bird is about eight weeks old."

Branding is done by a stamp that makes an impression some thing like a notary's seal, and ink is then rubbed over the stamped brand to make the mark permanent.

Rustling, if successful for the thieves, may be done most any time of the year, but may be expected more at the holiday seasons because the processed birds can be marketed easier at that time.

Some of the larger yards, says Speerstra, employ night watchmen, but it is expensive and the smaller yards do not. Some growers tie watchdogs in the yards at night, but in the McMinnville district recently four dogs were stolen.

Silverton Taps Junior Jaycee

Silverton — Richard Klopfenstein was Junior Jaycee of the month selected for his extra-curricular activities in serving as president of the senior class of the local high school.

To serve on the Jaycee nomination committee in suggesting officers for the coming year are Richard Hartley, William Duncan, Robert Edgerton and John Middlemiss. Budget committee members are Olaf Paulson, Jr., Harold Roth, James Jones and John Middlemiss.

The members are planning a stag party for Tuesday evening, Dec. 9 at this meeting the three Jaycees for the entire year's honors are to be named with an announcement made, Dec. 23.
