

Youth in Holland Writes Salem Friends About Flood

Mr. and Mrs. W. C. Rea, 3334 Argyle Drive, have a letter from Holland giving a description of the terrific North Sea storm that did great damage and caused much loss of life in that country.

The letter comes from Hans Z. Denis, who, in 1950, lived for a year with the Reas in north central Washington when he came to this country to study farming under the Marshall plan. He addresses Reas affectionately as Mom and Dad.

"Hans is about six feet tall,

Buchanan Not Seeking Job

Moscow, Idaho, (AP)—The president of the University of Idaho says he is not interested in becoming U. S. Commissioner of Reclamation.

Jesse Buchanan said Monday an "informal inquiry of my interest and availability" for the post was made last week.

"I advised I could not accept if the post were offered," he said.

Reports from Washington last week said Buchanan was being considered as the successor to Michael Straus, whose resignation as a reclamation commissioner recently was accepted by Secretary of the Interior McKay.

Heart Attack Claims Visitor

Albany—Stricken with heart disease in his hotel room here, David Frederickson, 58, a World War I veteran of Drain, Ore., died early Sunday. He had been registered at the hotel since Friday and was found on the floor beside his bed by a hotel maid at 12:30 p.m.

According to Deputy Coroner John Summers, who was called by city police, Frederickson had apparently arisen to get a drink of water, for lights were still on in the room and a faucet was still running.

The man was a native of Sweden and came to the United States when he was 18 years old, settling first at Hoquiam, Wash.,

and later coming to Oregon. He had lived at Roseburg prior to moving to Drain two months ago. He was a lumber inspector.

Arrangements for the services are being made at the Fisher Funeral home, awaiting arrival of word from a brother. Surviving are two children, Marilyn Louise and Carolyn Ann, both of Corvallis and two brothers, Gottfrid R., and Arvid Frederickson, both of Hoquiam, Wash.

Victim of Bomb at Penitentiary Dead

Walla Walla, Wash., (AP)—The man who was holding the inmate-made bomb which exploded in the State Prison's business office a week ago died yesterday.

He was Alfred F. Gruber, 42, State Prison's business manager the past five years.

Truck Smashes Shop at Albany

Lebanon—Heavy damage was inflicted Sunday evening when the glass front at P&G cabinet shops on South Santiam highway was crushed by a truck which sheared the huge pylon at the entrance and tore its way through plate glass.

The vehicle plowed through a counter, crumpled an oil stove, spilled stacked merchandise and came to a stop at the bookkeeper's counter. A full 50-gallon drum of oil was broken open and gushed across the floor while soot from the broken stove pipes covered the front offices.

Len Byers, driver of the truck, said he was forced from the highway when another vehicle pulled onto the pavement in front of him. Neither Byers nor his companion, S. L. Enaley, was injured in the accident.

John H. Griffith, cabinet shop owner, said Monday that the total damage would amount to "at least \$2500."

Baby Suffocates In Lebanon Home

Lebanon—A two-months-old Portland baby suffocated in bed while the child's mother was visiting at 1653 Second street, reports Glenn Huston, county coroner.

The child, Ruth Marie Burke, 4616 S.W. Corbett, Portland, was found by her mother, lying face downward on a pillow. She was rushed to the community hospital, but was pronounced dead upon arrival.

Huston said the mother told him she had left the infant only 15 minutes before. Death was partially attributed to pneumonia, since a portion of the baby's lungs were filled with liquid.

Services will be held Tuesday in Portland. A brother, Jeffery, and a sister, Patti Ann, also survive.

"Adam" is the Hebrew word for "man."

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Milder bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Ask for new, large, economy size and save money.
