Hollywood (**)— Our thought to day comes from Lex Barker, who opines that movie actors should be married.

Yes, I know, Elmer, it does sound odd coming from a two time loser. But Barker, who was shed only recently by Arlene Dahl, hasn't lost his enthusiasm for marriage as an insti

"TALL MEN

SLEEP

LONGER"

After hearing his enthusiasm for the state of marriage, I asked Barker if he was going to when I always pick up the wed Lana Turner. This drew an about the wasn't adverse to live. Otherwise he can become a bum.

"The seen it happen to friends of mine. They start playing the romantic field, and pretty soon they're up to their elbows in women. That's all they can think about. Their work is bound to suffer.

"But the married actor has something to work for, He is work and not be constantly work the confort of coming home to some one who care for him. He can devote his best efforts to his work and not be constantly work and not be con

Barker admitted that other Americans must take a dim view of marriage in Hollywood. He blamed this on the Cali-fornia divorce laws.

"It's too easy to get a divorce in California," he commented. "The grounds can be trivial or

even laughable. Such as complaining about having martinis before dinner." This was part of Miss Dahl's testimony against him.

"No wonder people think marriage is taken too lightly in Hollywood." When you read some of the grounds that have been allowed, they sound ridiculous.

"Too many against than the statement of the stateme

TELE-VIEWS

Radio-Television By DAVE BLACKMER

An interesting program is currently being broadcast over KOCO every Wednesday afternoon at 5:45. The pro-gram is written, directed and broadcast by members of the student body of Salem high school. Under the guidance of Del Ramsdell, the program is now dramatizing various his-torical events of the city of Salem and the state of Oregon. Last week's program briefly gave the details on how

Oregon became a state. The program was written by Norms Cooley. This Wednesday night another top historical fea-ture will be dramatized. These students are doing a fine job in conducting this complete fifteen-minute program.

TELEVISION SHORTS: Lake Oswego area reception is affected by the depth of the water. When lake is high, picture comes in without difficulty. On the other hand, when the water is low, double images and just poor reception is the case. Several Popcorn Hill residents not using any antennas at all; just the built-in jobs that come in the set. Over ten times as many parts in TV sets as in radios. Programs now being aired by KPTV far better than what several cities had when they first got TV.

During floods and fires, people have reported that the first thing a person wanted to save was the TV set in

Television receivers find their way into surprisingly diversified places. Among some reported by RCA-Victor engineers are: Doctors' and dentists' offices, where patients' minds are taken off their ailments by a television He lost his fortune when an receiver in the waiting room . . . a currency exchange, where investment firm failed during the a television receiver is used to prevent customers from leaving when the waiting line is long . . . a ship, when river pilots await assignments . . . a trailer with a demountable easily oriented antenna, and executive offices of a grocer supplier, where television has been used as a means of entertaining and recapturing disgruntled customers. Salem firemen have television in all four of the local fire
