SALE STARTS THURSDAY, 9:30 A.M.

Imagine, over two hundred chrome sets, a Solid Carload, over 1000 separate pieces of sparkling chrome furniture to select from. All at just about half the regular price for famous Howell Chrome. Each piece possesses Howell's quality through and through. Brilliant, multiple-dip chrome, polished to a mirror finish. Lifetime laminated plastic table tops that "Smirk" at chipping, boiling liquids and acids . . . Bonded right into this rugged top and sealed for life in exciting new patterns in an array of smart colors.

These are just a few of the features that have made Howell the "best known name in chrome!"

HOW THIS SPECIAL SALE CAME ABOUT

Twice yearly the Howell Co. clears its warehouses of any one-of-a-kind chrome sets, discontinued models or sets with hairline imperfections . . . 'Woody's, ever alert for values that bring you "the very best buys," purchased, in one lot, over two hundred new chrome dinettes at these wonderful low prices, which we are passing on to you.

HAIR-LINE IMPERFECTIONS

We don't believe you will be able to find the slight flaws in these sets . . . A one-inch hairline scratch or a small nick of imperfection is enough to cause sharp-eyed Howell inspectors to reject the piece but not enough to even scratch your pride of ownership of any of these sets.

You'll agree when you see them that Howell inspectors have sharper eyes than you.
