Safeway Sells Only "U.S. Choice" and "U.S. Good" Beef Look for this Federal Grade Stamp on Every Beef Cut you buy at your Safeway Store

Retailers are no longer required by law to display grade marks on the meat they sell. Safeway will... because Safeway believes you are entitled to know the quality of the meat you buy. Scientific AGING of beef cuts at our central meat plant assures mouth-watering tenderness. Safeway's superior trim before weighing gives you more meat, less waste, bone and fat. Two more reasons why Safeway beef is your best buy.
