

Career Night At High School

Final preparations have been made for the second annual "Career Night" which will be held this evening at Salem high school.

All students of the parochial schools, the three junior high schools, and the high school are especially invited to attend. Career night is sponsored jointly by the Rotary Club of Salem and the senior high school.

All those attending will go to the auditorium for a short time to hear a brief explanation of the program and to hear welcoming addresses. Joe Dodd will talk on community objectives of the Rotary club.

Dead Whale Washes Onto Beach at S.F.

San Francisco (AP)—A weighty problem—about three decaying tons of it—was washed into the laps of San Francisco authorities last night.

But no one could be found who was willing to do anything about it.

The problem was a dead whale the size of a small truck.
