"THE GREAT DIVIDE"

In the great Mid-West of our country stands one of the miracles of nature called "The Great Divide." Here, if a drop of water falls to the west of the divide, it goes on and on into the Pacific Ocean. If it falls to the east, it flows until it reaches the Atlantic Ocean.

In our lives, little "divides" cause us to swerve to the right or to the left; toward the thing that is right or the thing that is wrong and sinful. Little things? No, not as little as they seem, for often a little deed changes the whole course of one's life, or the life of another.

Of ourselves we can do nothing, but help is near. The Church stands ready, offering us the sure hand of Christian faith. Here we can find strength to make the right decision at every "divide" in life's way.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
