becomes available any time within the next few months to play center field for them, the Giants from Manager Leo Du-rocher down feel they can win the National League flag in a breeze. Without him they are an unsettled ball club and just

Phoenix, Ariz. (P)—The New York Giants are training here between rainy seasons, but their thoughts are a long way off as they await news—any kind of news—about Willie Mays' of forts to get out of an army uniform.

There is not as much optimism as there was when the Giants opened camp 10 days ago. At that time the official attitude might have been summed up in the cheery off-the-record quote: "Sure, they'll let us have Willie — look at all form." orm.

If the fleet Negro youngster tell them about."

The word we get now from a man who knows someone in the Pentagon is that Mays has nine dependents, all right, but that in the excitement but that in the excitement over playing big league ball he neglected his responsibili-ties to his family down in Alabama, and somebody blew the whistle. There is no sug-gestion that Willie meant to do this, but it apparently has complicated his application for dispharse. for discharge.

The result is that Manager Durocher, for the time being, is working pretty much in the dark. All he can be certain of about his outfield is that Monte for the Pittsburgh Pir last season with a broken an-kle, will be back in left.
