

Red Cross Captains to Make Reports Friday

Red Cross drive captains for the business district will meet Friday noon to make a report of their success this week in solicitation of funds in the present campaign.

Audits have not yet been made of the funds received to date in the drive, which got underway the first of this week, but early in the week it was reported that \$8,000 had been received, most of it in the pre-drive campaign.

Silverton's chairman, Richard Bealey, Thursday reported to drive headquarters that he was having the best returns from the business section of that town that they had had in a number of years. No other towns have made reports to the headquarters.

Interest in the campaign became keen with a report of floods that inundated some parts of Marion county late in January.

The so-called Douglas fir tree is not a fir but a false hemlock.
