

# SOUFFLÉ SALADS!

A really new Salad Idea!  
MADE THE NEW FAST-FROST WAY!

See in Life and Better Living Magazines

**Soufflé Salad**  
(Make Ahead)

1 package Lemon or Lime Jell-O  
1 cup hot water  
1/2 cup cold water  
1 to 2 tablespoons vinegar or lemon juice  
1/4 cup salt  
Dash of pepper  
16 to 2 tablespoons finely chopped onion  
1 to 2 cups vegetable or fruit mixture

Dissolve Jell-O in hot water. Add cold water, vinegar, mayonnaise, salt, and pepper. Blend thoroughly with fork or rotary beater. Turn into freezing tray of automatic refrigerator and chill (without resetting control) 15 to 20 minutes, or until firm 1 inch from edge but soft in center.

Turn into bowl and whip with rotary beater until fluffy. Add onion. Drain vegetables and fold into Jell-O mixture. Pour into 1-quart mold or individual molds and chill until firm (30 to 60 minutes). Unmold and garnish with salad greens. Serve with additional mayonnaise, if desired. Makes 4 to 6 servings.
