## Pair Wed On Feb. 22

In the chapel of the Leslie Methodist church on Sunday afternoon, February 22, at 3 o'clock, Miss Yvonne Hofstedt was wed to Sgt. Donald R. Hunter in setting of pink and white snapdragons. The Rev. Collis Blair performed the double ring ceremony. Miss Hofstedt is the daughter of Mr. and Mrs. Lester Hofstedt, and the bridegroom is the son of Mr. and Mrs. Ray Hunter of Albany.

Lighting the candles before the ceremony were Mrs. John Wenger and Kathryn Hunter, sister of the bridegroom. Mrs. H. O. Hofstedt, Spokane, aunt of the bride, played the wedding music. H. O. Hofstedt, uncle of the bride, sang.

The bride was given in marriage by her father. She wore an ankle length dress of white lace and nylon tulle over white satin. She carried rosebuds and lilies of the valley.

Miss Lois Hofstedt, sister of the bride, was maid of honor. She wore an ankle length dress of blue net over taffeta, and carried pink and white carnations. Mrs. Frank Vi Paris, sister of the bridegroom, was bridesmaid and wore pink net over taffeta. She also carried pink and white carnations.

Frank Vi Paris and John Wenger acted as best men. Richard Hughes and Kenneth Vogt served as ushers.

After the ceremony, the reception was in the church social hall. The bride's table was centered with a three tier wedding cake. Miss Wanda Valdeze poured the punch. Mrs. Conrad Hofstedt, aunt of the bride, poured the coffee. Mrs. Helen Otto, sister of the bridegroom, and Miss Arlene Bishop cut and served the cake. Miss Leah Durig passed the guest book. Mrs. Glen Ling was in charge of the gift table.

The couple left on a short wedding trip. For going away the bride chose a blue and white checked taffeta with red accessories. The newly weds will live at Fort Lewis, where the bridegroom is stationed.

## AT UO Finals Due Soon On Campus

By ANN CARSON

University of Oregon, Eugene (Special) — The University of Oregon is undergoing some great changes these days. First of all, spring has definitely crept into the air, and there's no denying it. The second and not so pleasant change is the fact that finals are less than two weeks away. Students are beginning to crawl away into their respective holes, and like the ground hog, are not expected to reappear until after finals and spring

vacation are over. These last few weeks of the term are funny because you completely lose contact with the "goings-on" about campus, and you come to know very well each nook and cranny of the library.

National "Y" Councils again are sponsoring several summer projects for university students in Oregon, the eastern United States and in Europe. These projects are established to provide students with opportunities to work, study and learn. The projects include students in industry, seminars, leadership training schools and work and study projects. This summer, in Oregon, the council is sponsoring a students in industry project, and a community service project in Milton-Freewater.

University of Oregon Day was at Lipman Wolfe's in Portland last Friday. Fifty-three Oregon students gained practical experience retailing. The students acted as department heads. Salem students who went down for the day were Joyce Armstrong, Bill Paulus, and Don Rudd, formerly of Salem.

Mrs. Paul L. Patterson spoke at the Junior Panhellenic sponsored semi-formal banquet for representatives from all sorority pledge classes. Marcia Webb of Salem introduced all of the guest speakers.

James Melton, the well known tenor, sang at McArthur court on Monday night.

Another indication of the coming spring is the fact that people are getting out their picnic clothes and beginning to look at the sun to see if it might be warm enough soon to get a tan.
