

## March to Be Busy Month At Municipal Airport

By MARGARET MAGEE

Late March will find much activity on the side of the Salem airport occupied by the Salem Naval Air Facility.

The first of the facility's cruises, each of two weeks' duration, will get underway March 23, ending April 5, with 24 officers and enlisted men from the reserves reporting for duty. Five days of the two-week cruise will be spent at the Seattle Naval Air Station where the group will take work in ground control approach.

Dates of the other cruises to be held at the facility before the end of the fiscal year are April 20-May 3; May 4-May 17; and June 15-June 28.

Naval Air Reserve officers coming on duty for the cruise beginning March 23 are:

Lt. Comdr. William H. Trindle, Gervais, commanding of-

ficer of the unit; Lt. Edward O. Schless, Salem; executive officer; Lt. Glenn E. Frazel, Salem; operations officer; Lt. Comdr. Boyd O. Baker, Eugene, training officer; Lt. Lawrence D. Roth, Albany, assistant flight officer; Lt. Robert N. Witzig, Corvallis, safety officer; Lt. Paul H. George, The Dalles, assistant navigation officer; Lt. David H. Daniels, Eugene, instrument training officer; Lt. William D. Troth, Salem, assistant operations officer; Lt. Paul H. Mikkelson, Portland, navigation officer; Lt. Robert Moore, Beaver Creek, assistant training officer. Lt. Robert M. Ramp, Eugene, communications officer; Lt. Anthony E. Seidl, Beaverton, aviation equipment officer; Lt. Charles E. Berg, Eugene, assistant safety officer; Lt. Comdr. Ivan J. Esau, Dallas, flight officer; Lt. (j.g.) James A. Meacham, Albany, materiel officer.

Enlisted men coming on duty for the cruise are Michael A. Moran, AN, Portland; Charles I. Knab, AN, Portland; A. R. Sheffield, AA, Portland; W. G. Strohecker, SN, Portland; Robert D. Bennett, AR, Kings Valley; Duane L. Toll, FN, Molalla; Loren E. Murdock, AO2, Albany; and Robert F. Archer, FN, Molalla.

## Disposition of Plant Now Near

Disposition of the Continental Chemical plant on Cherry avenue, formerly the alumina plant, appeared today to lie between the Harvey Machinery company of Torrance, Cal., and Schnitzer & Wolf of Portland.

This was indicated in press dispatches from Washington, D. C., where an official of the General Services Administration said today the GSA expects to decide on disposition of the plant within the next week.

Clay Cochran, manager of the Salem Chamber of Commerce, and A. W. Metzger, who has been manager of the plant under its various operations, are both in Washington attempting to persuade GSA to dispose of the plant in such a way that it will continue in operation as a going concern.

The GSA some months ago attempted to sell the plant, which is listed as government surplus, and Harvey was the highest bidder, but the bid was rejected as too low. Schnitzer & Wolf at the same time made a proposal, though not an actual bid, to acquire the plant.

## Price Hike Reported For Fir, Pine Items

Portland (AP)—Lumber trade sources reported Thursday a price rise in some selective fir and pine items, but the bulk of the lumber products remained unchanged.

Some class B and better fir drop siding went up \$2 to \$5 a thousand board feet to \$153. Some pine boards were reported up as much as \$10 a thousand feet.

The common items, such as 2x4s, which constitute 90 percent of the volume, are unchanged.

**MT. VIEW CLUB MEETING**  
The Community club will meet at Mountain View school house at 8 p.m. Friday, March 6.

## More Sales in Business Area

Transactions involving real property in and adjoining to the area in which there has been considerable speculation as to the nature of the development, have been registered with the county recorder's office.

One of the deals involves the transfer by Harvey J. Elsner and wife to the Salem Title company of a portion of Lot 10 Block 68. The title company in turn deeds the real estate to George B. Paulus and wife. The nominal sum of \$10 is given in each transaction.

Edward E. and Coletta E. Lebold also have deeded a portion of Lot 10, Block 68, to Salem Title company.

Another deal involving Block 2, which lies immediately north across Marion street from the old high school building, shows George B. Paulus and wife transferring to Salem Title company all of the easterly one half of Lots 3 and 4. The consideration is nominal.

The Paulus involved operates a shoe shining establishment on State street.

## How To Relieve Bronchitis

Creomulsion relieves promptly because it goes into the bronchial system to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.

## How Many Hours Of Sleep?

By J. H. Willett

New light was shed on this debatable question when a recent survey was made of persons from 70-90 years of age. They nearly all had eight hours sleep a night throughout their lives.

While there are individuals who feel rested after four or five hours sleep, most of these persons are able to relax and rest at short intervals during their waking hours. Few people however acquire the ability to do this.

Tiredness is not always traceable to lack of sleep, when you continually feel tired you ought to consult your doctor.

Let a conscientious pharmacist fill your prescriptions.
