Clear Lake

Clear Lake—It was standing room only and not much of that at Clear Lake school Friday evening, when the three-act play, "Look Me in the Eye," was presented. The play committee was composed of Mrs. Arthur Evans, Nick Eichelberger, and T. C. Mason, who selected the play and cast and furnished stage properties.

It will be presented on March 20 at Popcorn School.

Following the play Mrs. Virgil Hulser, Mrs. John Guy, Mrs. John Lepper, and Mrs. Bert Murphy served coffee and doughnuts.

Robert Miller, son of the Archie Gallhughs, has returned from Germany after spending 19 months there with the army. He was a sergeant with an artillery unit. He has been discharged and will return to his position as a plasterer with Louis Bean. His wife is the former Lois Punzel, and the couple is building a home adjoining Arthur Punzel's.

Howard Johnson, whose leg was broken in an auto-bicycle collision Jan. 27, is expected to return home from the hospital next week. His leg has been in traction. He will now wear a cast and be in bed for six weeks. Howard is a seventh grader and the son of Mr. and Mrs. Ferd Zeeb.

Marvin, Martha, Shelby, and Linda Dutton are new students at Clear Lake. They live with their parents on the Kerr Hop Ranch. This brings the total enrollment to 61.

Mrs. Arthur Sorenson was taken to the hospital for an emergency appendectomy Friday. She is reported in good condition.

Reservists of the armed forces are going to have their day for blood donations to the Red Cross, but they are not excluding civilians, either.

Salem Heights Monmouth Fire Survey Made

Salem Heights — Drill practice in the field was given to the South Salem Junior Saddle club on Saturday afternoon.

Ervin Ward, captain of the drill team of the Salem Saddle club, who has been giving the juniors instructions, explained how to properly saddle a horse and demonstrated it. He gave drills and stressed the points for good drilling, and told of the importance of the right and left leads.

Dick, Mike and Jeff McKillop were host to the group.

Monmouth—A survey of the Southeast Rural Fire Protection District has been made by Others attending were Mitchell Murdock, Judy Baker, Lynne Hammerstad, Marvin Murdock, Cheryl Lee Kurth, Karla Anderson, Mary Wilbur, Jeanne Rue, Clark Jackson, Bonnie Jean Kurth, Phil Jackson, and Gerald Kurth.

Mrs. Sidney Howard, who reports she made approximately 750 calls on occupants of rural property in the district.

When organized five years ago the district was bounded by Camp Adair on the south and southwest; Mistletoe road to Clow Corners road; Greenwood road to Dallas-Salem highway, to Eola Inn, at east end of Eola; and Willamette river on the east.

A year ago the district was extended to include some Camp Adair acreage to the Polk-Benton county line south of Suver and one and one-fourth mile west of Airline to Fishback Hill road.

Several hundred acres were also added east of the Willamette river across the new bridge at Independence extending from the river to the Oregon Electric railroad with about 20 property owners in that area.

The rural district owns four fire trucks, stationed at Monmouth, Independence, Buena Vista and Suver.

John Schirman is in charge of the truck at Buena Vista and Ralph Richards at Suver. Each piece of property in the district is numbered and each

home has a card showing the farm fire number and telephone numbers of each fire station and the fireman have files showing names, farm numbers and directions to reach each place, thus in reporting a fire one need only give name and farm fire number.

The tax millage levy is 3.7 and fire insurance credit is given in the district.

Charles Ray is president of the board or directors and George Stapleton is secretary. Other members of the board are: R. R. DeArmond, L. V. Seeley, and Paul Dodele.

Capital Journal, Salem, Ore., Tuesday, March 10, 1953--11
