BOOM!

CEILING PRICES MAY HAVE BEEN REMOVED FROM USED CARS, However, the Roof Is Literally Falling Clear In at Shrock's Used Car Lot

You guessed it! I can't eat used cars, so I am going to "Coronate" myself by getting back on my used car "throne" where I started in the used car business 19 years ago.

To celebrate this move, I personally invite old and new friends to bring their chisels, trading boots, or their shotguns, and really

Frankly, we have taken so many cars in trade on the new Hudson—and too, "J" day (Jet) is just around the corner—that we are forced to make room for more trades.

Not Next Week, or Next Month... BUT NOW!

So as a Starter-No Gimmicks, No Balony MERELY BRING THIS AD WITH YOU AND GET \$50.00 (fifty dollars) credit toward the purchase of any post-war car in our tremendous stock. Incidentally, March may have come in like a "lamb" at "SHROCKVILLE", but I guarantee you it's going out like a "lion", 'cause I am cracking the whip, or taking the BULL BY THE HORNS, so to speak.

Answer Filed in Pharmacy Squabble

Albany-V. A. Hurley, men

ber of the state board of pharmacy, Monday filed an individual answer in circuit court to an application by a group of five Corvallis physicians for a writ of mandamus to compel the board to issue a license to conduct a pharmacy at 530 N.

17th St., Corvallis.

Hurley, in a request that the application for a writ of mandamus be dismissed, sets forth that the zoning ordinance in Corvallis prohibits operation of a pharmacy in the location cited. He denies that the board had refused to issue the license and says the board is merely waiting until such time as the operation of a pharmacy at the location of the city.
