Coquille River Fishers Clash

Commercial and sports fishermen clashed again over an old issue Tuesday at the legislature—a bill to close the Coquille river to fish-for-profit interests. This is the fourth session that the feud has been aired in legislative committees. Commercial representatives argued before the senate game committee that only four miles of the 35-mile tidewater stream are used by gillnetters, leaving plenty of fish for sports anglers. They said they grossed only \$24,000 last year, and because of the short commercial season, all net licenses made the bulk of their living in other industry. Of 35 licensed commercial fishermen in the river, only three or four operate full time, they said. Clarence Barton, Coquille, said the 1949 salmon catch by anglers in Winchester Bay represented an expenditure per angler of eight cents a pound. A random check of 200 anglers showed only 12 salmon caught on an average day, Barton said.

Kuhlenbeck Made Lincoln County Sheriff

Toledo, Ore. (AP)—W. H. Kuhlenbeck of Depoe Bay was to be sworn in Wednesday as sheriff of Lincoln County. He succeeds Tim Welp, sheriff for the past eight years, who resigned Tuesday, reporting dissatisfaction with work hours and pay. A salary of \$4,200 a year

has been set by the Legislature. The pay of sheriff's deputies is to be increased, the County Court reported. Funds for the increase will come from eliminating one deputy's job.

Washington (AP)—The Federal Communications Commission Tuesday was asked by Klamath Falls Television, Inc., for a permit to operate on channel 2 at Klamath Falls, Ore. Another Oregon concern, radio station KUGN at Eugene, asked the commission to sanction acquisition of control by C. H. Fisher.

Longview Bridge Bill Lost in Committee

The highways committee of the Oregon House of Representatives Tuesday buried a bill which would permit the state to buy half interest in the Longview-Rainier bridge. The State Highway Commission already has the power to do that, a committee member said. He added that the commission has said many times the bridge is a "white elephant."

Wrestler on Tacoma Council

(By The Associated Press) Tacoma voters Tuesday picked a professional wrestler as one of the nine councilmen who will make up the city's governing body under its new council-manager form of government. The selection of Frank Stojack as Tacoma councilman highlighted elections held in 33 cities and more than 500 school districts throughout the state. Stojack, former Washington State college football player, held a 547-vote edge over Harold M. Tollefson, Tacoma lawyer and brother of Congressman Thor Tollefson, in unofficial returns. Trailing them but also apparently assured seats on the council were Everett Jensen, Charles T. Battin, Clara E. Goering, Albert H. Hooker, Paul C. Ferdue, Omar T. Bratrud and Dr. Homer Humiston. Stojack said he plans to continue wrestling but the occupation would be secondary to his job on the council. The council, which will take office June 1, will elect a mayor.

Ties MIG Record—Col. Royal N. Baker (above), of McKinney, Tex., has knocked down his 11th MIG to equal the record total of Red jets shot down thus far in the Korean war. He is credited also with one propeller-driven fighter. His feat equals the record of Major George A. Davis, Jr., now listed as missing in action, who is rated as top ace because he downed three propeller-driven planes in addition to his 11 jets. (AP Wirephoto)

Mrs. Hyslop to Head State DAR

Klamath Falls (AP)—Mrs. George R. Hyslop of Corvallis is the new honorary state regent of the Oregon State Society of the Daughters of the American Revolution. Mrs. Hyslop was named yesterday as the DAR closed its 39th annual state conference here with election of officers. Re-elected to the Champoeb board of governors were Mrs. W. E. Hansen, Salem, and Mrs. J. Dean Butler, Milwaukie. The state DAR approved a message to the state Legislature favoring a bill to establish a Columbia River Gorge Commission. Delores O'Hara, a senior at Lebanon high school and 1953 Good Citizen of Oregon, was honored at the final luncheon.

Portland (AP)—John J. Hyslop, 30, was killed by a moving boxcar in the Southern Pacific's Brooklyn yards here Tuesday.

That same day his mother, Mrs. G. R. Hyslop of Corvallis, had been honored by election as honorary state regent of the Daughters of the American Revolution at Klamath Falls. Young Hyslop tripped and fell in front of the moving boxcar. His neck was broken by the car impact.

At the time of its first census in 1820 there were 127,901 people in Alabama.

First Flight To Be Observed

Portland (AP)—The 50th anniversary of the first airplane flight is to be observed throughout Oregon, Harry K. Coffey, chairman of the governor's anniversary committee, reported Tuesday. Air shows and tours, breakfast flights by private flying groups, and traveling exhibits are a few of the events tentatively planned for the Wright brothers anniversary which is to be celebrated next June, he said. First definitely scheduled event is the dedication of the new terminal at the Medford airport June 6-7. Members of the state committee include: W. L. Crissey, Brookings; Ivan Kesterson, Klamath Falls; B. D. Isaminger, Pendleton; Ed Parsons, Astoria; Mayor D. L. Flynn, Medford; Reynolds Allen, Salem; Leo Adler, Baker; M. D. Wooley, Burns; Mayor Al C. Fiegel, Roseburg, and Dr. George K. Hemphill, Eugene.

\$50 Million Suit By Film Stars

Hollywood, (AP)—Twenty-three movie personages, claiming they were blacklisted from jobs, sought \$50,000,000 damages today from the house Un-American Activities committee and the film industry. Three of the plaintiffs, actresses Gale Sondergaard and Anne Revere and screen writer Michael Wilson, are former Academy Award winners. The suit, filed yesterday by attorney Robert Kenny against the committee and 17 major studio producers, charged the plaintiffs lost jobs because of a blacklist published and circulated throughout the film industry. The suit contended that the producers and the committee conspired to refuse employment to those subpoenaed before the committee as witnesses during recent communist probes of Hollywood.

O.K. Increased Tax Exemptions

Increased income tax exemptions for parents of two or more children, persons over 65 years old and the blind had the approval Wednesday of the House Taxation Committee. The bill, by Rep. Maurice Neuberger, Portland Democrat, would cost the state about \$650,000 a year, the State Tax Commission estimated. Gov. Paul L. Patterson urgently requested the Legislature to reduce the income taxes for parents of two or more children, but he didn't mention the added exemptions for those over 65 and the blind. If the Legislature of two years ago is an example of what might happen, the bill is headed for quick approval in the House, but tough sledding in the Senate. In the 1951 Legislature, the House voted 49 to 1 for a similar bill, and it died in the Senate Taxation Committee.
