## TELE-VIEWS Kadio-Television By DAVE BLACKMER

Another UHF station has been granted to Lawrence A. Harvey, this time Channel 20 in San Francisco. The way it looks fom here Harvey would build the Salem station before the San Francisco station as there is no competi-tion here but there is in Frisco. But this gent is unpredictable, so no predictions from this corner.

## Cheer Up; Tax May Be Cut by July 1

come taxpayers can get some comfort from the fact that they are almost sure to be relieved of some of their burden this year. A tax cut of about five percent effective July 1 on the last six months of 1953 is almost inevitable.

The move came after a weekend crisis during which parliament passed a no-confidence motion, 229 to 218, against the year. The preparation of 1953 is almost inevitable.

Chairman Eugene D. Milli-kin (R., Colo.), of the senate finance committee is known to his forces for next month's test. agree with House Ways and Means chairman Daniel A. Reed (R., N.Y.) that the tax cut is coming. They should be able to swing it. The Eisenhower administration opposes the re-duction, with qualifications.

Short of a president veto, however, republican leaders are convinced now that Reed's tax reduction bill cannot be smothered in the house and that it will have an excellent chance to pass the senate. Some of them will bet you on that.
