Fluffy Parsley Omelet  
Ingredients: 2 tablespoons quick-cooking tapioca, 1/4 teaspoon salt, 1/4 teaspoon pepper, 1/4 cup milk, 2 tablespoons butter or margarine, 4 eggs (separated), 2 tablespoons finely chopped parsley.  
Method: Mix tapioca, salt, pepper and milk in saucepan. Cook and stir constantly over medium heat until mixture comes to a boil. Stir in 1 tablespoon of the butter. Remove from heat and allow to cool slightly while beating eggs. Beat egg whites until stiff enough to form peaks that curl over slightly. Without washing beater, beat egg yolks until thick and lemon colored. Beat tapioca mixture into egg yolks; stir in parsley. Fold into egg whites until no blobs of white show. Melt remaining tablespoon of butter in 10-inch skillet with a heat-resistant handle until very hot but not brown. Turn omelet into skillet and cook over low heat 3 minutes. Then bake in moderate (350 F.) oven 15 minutes. Omelet is cooked when a knife inserted in center comes out clean. Cut across at right angles to handle of pan, but don't cut all the way through. Fold carefully from handle to opposite side with wide spatula and turn over onto serving dish. Or instead of folding omelet, cut into 4 wedge-shaped portions and remove with spatula. Makes 4 servings.
