

Six Brothers and Sister All Serve Armed Forces

A youth enlisted at the Salem air force recruiting office this week became the seventh and last member of the family of Mrs. Clarina Fryer, Woodburn, to enter the service since the beginning of World War II.

Willard Fryer, 19, received his orders in Salem Tuesday to report in Portland Thursday for transfer to Parks Air Force Base, Calif., for recruit training.

Preceding him in the service were five brothers and a sister with a total of eight tours of duty representing nearly 30 years of service during World War II and the Korean war.

Willard is the first of the family to enter the air force, the others being split evenly between the army and the navy.

Service tours by other members of the family during World War II were Maynard, army, now in business in Portland; Hyrtle, navy, now in Kennewick, Wash.; Eugene, navy, now in Portland; Victor, navy, now living at home; and Vivian, WAC, now Mrs. Clarence Skaug.
