AN ETERNAL FORCE

The wind is like the power of God. It is invisible—you can neither see nor touch it. And yet it will carry a sailboat skimming across the waves with all the beauty and grace and freedom of a seagull. But whereas the wind may die and leave you drifting aimlessly and helplessly with the tide, the strength of God remains eternally steadfast. It is through the Church that man is given understanding of this Power. For by worshipping God he can acquire the spiritual insight which gives fuel to his soul and purpose for his pursuits.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
