### DEFEAT *and* VICTORY

One hundred sixty-two feet high and one hundred forty-seven feet wide Napoleon built his arch of triumph. Proudly it rises above the Place de l'Etoile reminding the world of an Emperor's early victories—and later defeats.

On the road from Bethphage to Jerusalem centuries before there had been another arch of triumph. Nature had fashioned it of palm trees. Beneath their bowing branches the Prince of Peace rode into the city that was to crucify Him.

Jesus, unlike Napoleon, never had need of a gigantic monument to help the world remember Him. The doors of a million churches bespeak His victory. Men pass through them not to gaze upon the majesty of carved stone, but to worship and serve the Son of God.

Napoleon bought for himself a transient glory at the price of other men's blood.

Jesus bought for All Men eternal life—at the price of His Own Blood!

#### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
