Non-Political Soviet Prisoners Released

say so this last phrase was believed to indicate no relaxbelieved to indicate no relax-ing of sentences or laws apply-ing to political prisoners or crimes.

The first use of the word "animal" included what are now known as plants as well as animals.

Senate to Take up Tidelands Bill Monday

Moscow, w.m.—The new Russian government in a sweeping order today released from prison hundreds of men, women and children imprisoned for crimes that did not endanger the Soviet state.

However, the government said that all the force of Soviet laws still applied to "counter-revolutionary crimes, anything threatening the security of the state."

Although the decree did not say so this last phrase was say so the control of the word.
