Missionary to China Speaker

Dallas — On Tuesday, April
14, the Missionary society of
the First Presbyterian church
heard Dr. Ralph C. Lewis discuss his work in Red China.
The Lewis's were the last missionaries to be released from
China — returning to this
country late last year.

According to Dr. Lewis, the
reason for keeping him so long

reason for keeping him so long was that being a medical doctor they needed his services. The chief point in Dr. Lewis's dis-cussion was his belief that the church and Christian way still lives in the hearts of the Chinese and will again come to the fore — perhaps stronger than before. In his opinion the Reds had

weakened the country and cut production by further dividing the land in an effort to break up the strong family unit which has always characterized the Chinese way of life.

Wible Words to Live by

ISAIAH 26:3 - "Thou wilt keep him in perfect peace, whose mind is stayed on Thee: because he trusteth in Thee."

Through the years this inspiring verse of Holy Scripture has meant much to me. It is both a promise and a power in my life and it has stood as a tall tower of strength when other things

The verse indicates the Source of peace. We are no longer left in doubt as to where to "find" peace. We know that peace is not some "secret" forever beyond the reach of man. Peace is a possession of God. He is its source, and He alone can give us that peace. Jesus promised His disciples on the night before the crucifixion has "secret leave with many and alone to the continuous leaves." that "peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." It is His peace and He alone can impart it. When we seek peace from any other source we are always disappointed.

This verse also indicates the Substance of peace. It is a "perfect" peace. Nothing is left to chance or guess and certainly no area of life is left untouched when we allow God to keep us inperfect peace. This peace means the absence of fear. The two cannot live in the same heart; if fear is present peace must go, if peace is present fear does go!

Finally, this verse indicates the Surrender we must make to peace. We have the promise of perfect peace if we keep our minds stayed on Him and trust in Him. How little we think about God! How much of our thought is upon ourselves and our desires. As long as we will keep our mind on God we keep it off ourselves and therefore we give God a chance to open the channel between Him and us. Yes, it is His peace and He offers it willingly to those who will keep their mind on Him and trust in Him. It never fails. It is more than peace of mind, it is peace of soul, perfect peace from God.

Does Smell Tell? By J. H. WILLETT Your sense of smell is often deceiving. As for instance in the matter of cheeses, some with the most obnoxious odor actually taste very good. While the most poisonous gases have very pleasant odors or none at all. Body odors are seldom noticed by the individual affected. Brunettes are said to be more odorous than blondes, women more than men. Certain illnesses can often be detected by odor. With a bottle of medicine the smell tells you nothing about it, and doesn't even fortell its taste.
