What does Water mean to You?

Are you a fisherman? Then a rippling, tree-lined stream like this beckons you to drop in your line.

But perhaps you're the athletic type. Then you would like to swim. Or you're interested in boats and paddling a canoe would appeal. A weary traveler would long to bathe his face and hands.

A farmer visions fertile acres fed by its life-giving flow. The scientist contemplates the living minutiae in its depths. The engineer calculates its hidden power.

Water is all things to all people. Without it there could be no life.

God is like water. Without Him there can be no life. Without His refreshing invigoration, your soul would shrivel and die. Without His strength and power there would be little good in the world. Without His cleansing love, life would be sordid and unpleasant.

And through the Church you can find Him.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
