

Chairman Tells of Membership Drive

Russell Bonesteel, local Spudebaker dealer and NADA area chairman, announced plans for the unique one-day, nationwide membership campaign being conducted by this national business organization and Oregon Automobile Dealers association on May 1.

Bonesteel, in explaining the program, stated that the National Automobile Dealers association, of which he has been a member for 25 years, is one of America's largest business organizations with a membership of 34,000 members in every part of the country.

The purpose of the drive, Bonesteel explained, is to extend a personal invitation to every new car and truck dealer, not already a member, to join these associations.
