

Bruce Williams General Memorial Day Chairman

At a special meeting of the Salem Federation of Patriotic Orders Wednesday night the group elected Bruce Williams, Salem attorney, as general chairman of the Memorial Day program and parade to be observed on May 30.

Don Stupka was elected assistant general chairman to assist in planning the program and the selection of committees and division parade commanders. Plans are in the formative stage to make this year's parade and program one of the most successful that Salem has observed in recent years.

Business concerns, fraternal, churches, civic groups and the general public are given special invitation to attend the Memorial services at the cemetery and on the Marion street bridge and are urged to assist by participation in the parade. Announcement of committees will be made as soon as possible so that all those wishing to participate may contact the proper committee chairman.

At a large representation of the auxiliaries of the federation Mrs. Ted Ullakko was elected general chairman of the veterans memorial church service in one of the downtown churches on Sunday evening, May 31. Mrs. Austin H. Wilson, Sr., was chosen assistant general chairman to assist Mrs. Ullakko in planning the program and the appointment of committees. The Sunday evening memorial service for all veterans of all wars, including Korean veterans, of Marion county who have died during the past year.

Special invitations are being sent to all veterans organizations in Marion county to participate in the service. Chaplains of the various veterans groups and funeral directors will assist in the tabulation of names. Special effort will be made to contact and invite the next of kin of all deceased veterans.

James Calloway, president of the Salem Federation of Patriotic Orders, said today that the program is new to Salem and that if successful the Federation will make it an annual affair.

He said the Salem veterans graves committee will assist with flags at the local cemeteries again this year and urged cooperation of families of deceased veterans by giving in-

formation to the men in charge. A special effort will be made to induce all business concerns

and the public to display the American flag on Memorial day.

In 1934, the liner Olympic followed the radio beam sent out by the Nantucket lightship and collided with the lightship, sinking it.

Building Permits for Month \$792,994

The outstanding building permit for the month of May, shown on the records at City

Hall, was Salem Memorial hospital wing, to cost \$283,833.
