"I'm not an authority, Dan. You forget the only doctor's office I know anything about belongs to Dr. Fell."

mow anything about belongs to Dr. Feil."

"Reception - room is large enough. My workroom could be larger, but with a little figuring I guess we could utilize all the space there is. And the plumbing setup is perfect. Add a sink in the workroom and we'd be set."

Mr. Driscoll nodded, "You could have a heavier electric current put in before the end of the week. That would take care of your equipment, Dr. Curtis. If you'll take a two-year leass we'll add the sink and circuit at no extra cost. As I said, Mr. O'Brien thinks you should be encouraged."

Carol Curtis Pattern

Flower Embroideries, There are four pillowease embroidery designs in this transfer pattern—carnations in sinades of lovely pinks; stylized talips, daisies and a stylized "Fieur-de-Lis" design. Enough pretty, flowery designs to make four different sets of pillow-case gifts or four sets of matching guest towels. A nice pattern to have on hand for pick-up embroidery work on long, sunlight-filled summer afternoons!
