

HAND BECKONS FOR AID

Volunteers rush atop smoking debris following a chemical plant explosion at Peabody, Mass., as a hand of victim later identified as Francis Donovan, trapped in wreckage, beckons for help. Donovan was first sighted by Donald McCormick (left) and AP staff photographer J. Walter Green who made this picture. Donovan was among 25 injured in the blast in which there is one known dead. "Pipe down with the humming fellows! I've got to hear the dial tone before I dial!" ... The steady hum of the dial tone is your signal to begin dialing... Pacific Telephone.

A bit of this-n-that -By- GEORGE HUGGINS and SID BOISE

VALUE OF AN EDUCATION... We were impressed recently by how much our every day living is governed by custom. Our small boy was getting ready to catch the school bus and had started to lace his boots when he found one lace broken and no extra laces.

And how about the custom of just renewing the same fire insurance policy every three years? Perhaps a reminder is all that is necessary to let you know that there are ways to save money on fire insurance.
